Christ, the royal master,  
Leads against the foe;  
Forward into battle,  
See His banner go!  
Onward, Christian soldiers,  
Marching as to war,  
With the cross of Jesus  
Going on before!

doubt. Rising to our feet now, we march to battle. Let's stand now, everybody.

Onward, Christian soldiers,  
 Marching as to war,  
 With the cross of Jesus  
 Going on before!  
 Christ, the royal master,  
 Leads against the foe; (How do we  
 defeat him? With the Word.)  
 Forward into battle,  
 See His banner go!  
 Onward, Christian soldiers,  
 Marching as to war,  
 With the cross of Jesus  
 Going on before!  
 We are not divided;  
 All one body we,  
 One in hope and doctrine,  
 One in charity. . . . .

304 All that believes now say, "Amen!" Hallelujah! Do you believe that? We are conquerors. Where's every enemy? Under our feet. What are you already? Risen in Christ! Now, it's over, sis. You believe that? You can go home now. Do you feel all right? She says she feels all right now, everything's all right. How many out there feel all right?

When they shouted, the walls fell down and they took it (Amen!); they took the city. Amen! Amen! Do you believe Him?

305 Now, don't forget tonight's service. Brother Neville will be here tonight and bringing his message, and next Sunday, the Lord willing, be here. Now, let's go as we move, and now, out from the building, let's go singing "Onward, Christian Soldiers" and from this day henceforth, don't never put that sword in the sheath anymore. Pull it out; let's conquer. They went forth conquering and to conquer. All right. Again on that first verse.

Onward, Christian soldiers,  
 Marching as to war,  
 With the cross of Jesus  
 Going on before!

## Greatest Battle Ever Fought

1 Thank you, Brother Orman, the Lord bless you.

2 Morning, friends. Happy to be here again this morning, and kind of a little unexpected I guess to myself, and I'm sure it would be to the congregation. And I just was reading and (thank you, sister), and the Lord just seemed to put a little something on my heart to bring to the church, and I thought it was time to do it. And now, when I arrived and then, not knowing we'd be here this Sunday, I've announced that I have a message for the church. And I want to, if God willing, bring this message next Sunday. And there'll be quite a lengthy time, so it probably will not get out before twelve-thirty, one o'clock maybe, if at that time. It's been on my heart for a long time, and I think I owe the public an answer why that I haven't been active out in the field. And I've preached all around it, but I'm sure it hasn't never just come right out to where it should be; so I think, the Lord willing next Sunday, I just want to take my time and just lay out a reason and why, and let you know scripturally what's going on, see. Just why it's all about, because I'll probably be going overseas or somewhere right away. I'm waiting now to see which way He will call me to go.

3 Last. . . . About three nights ago or two nights, I had a phone call near midnight, and it was to pray for some woman that was in the hospital. And they called me and said, "Pray. . . ." (And I forget the name that they gave me that . . . said it was a friend to Mrs. James Bell, our sister here at the church, a colored sister, very loyal, fine woman. I believe the name was Shepherd, was give me.) So I got out of the bed and knelt down and told my wife (the phone ringing woke her up), and I said, "We must pray for Mrs. Shepherd, a sister that's called, that's a friend to Mrs. James Bell."

4 So we prayed for her, got back in the bed, and then along about ten or eleven o'clock the next day, I got a call again; it was Billy, and he said it wasn't Mrs. Shepherd, said it was Mrs. Bell, herself. Not Mrs. Bell's friend, it was Mrs. Bell, and she's in the hospital very seriously.

And rushing out to the hospital, but she was gone. The Lord had called Mrs. Bell home.

5 Mrs. Bell has been a faithful gatherer with us here at the church for years. Her husband, James, and I worked together with my father many years ago out running . . . we run these spurs in from the Pennsylvania into Colgates here many years ago, I guess thirty years ago or more. And we loved Sister Bell; she was a grand person.

6 And I understand she had a acute attack of gall bladder condition, and her physician that knew the case real well was out of town at the time, and a new physician came to look at her and advised an emergency operation, and she never survived it. And she was . . . I think her. . . . Way I understand it, that her regular physician wouldn't have prescribed the operation, because she was heavy set, and her gall bladder was bad, and she'd have stones, I think, or something in it, and the Lord had been merciful. She'd had those attacks before, and the Lord had taken care of those many times, but just happened to be that. . . . Well, if we bring it to a full measure we'd say this: God had called for Sister Bell, and that's the way it had to be taken. You see?

ROM8:28

7 And how that he missed . . . brought it around to me, that I thought it was a Mrs. Shepherd; I didn't know Mrs. Shepherd. The lady may be here this morning, and I may know her if I look at her face. But it was said it was a Mrs. Shepherd; and whether it was all done like that, so that if it. . . . If I knew it'd been Mrs. Bell had been in that shape, I'd have probably went out there and been interceding for her right away; and then, you see, that . . . God didn't want us to do that perhaps. So we know that all these things work together for good to them that love God. And I'm sure that Sister Bell loved our Lord; she was a good woman.

8 Now, she's one of us. In here we don't have any lines of color; the family of God doesn't draw lines of color. Whether we're red, brown, black, or yellow it doesn't matter--white, whatever it is we are brothers and sisters in Christ; and so we love her, and we'll miss her, the tabernacle. How will I miss Sister Bell's . . . them great big coarse "amen"s back there in the corner, and taking her up home she'd talk about the Lord Jesus.

9 And if I understand it right (never knew it till just a few moments ago), but I think her funeral is to be held right here in the church this

I want the little lady. . . . There is something there with this little preacher here. Come up here! This man was sent home from the hospital just recently, dying, eaten up with cancer, a year ago . . . two years ago with prostate. Just . . . the doctor just give him a few days to live. And one morning, we went up there real early; offered prayer for him, the same one just like with you, and they can't even find a trace of it. Does more work now than he ever has. Him and his little wife has been in the fields of the gospel, maybe before I was born, and here he. . . . Fifty-five years before I even come on the earth they were preaching the gospel. And here he is, healed at the age of about seventy-five . . . or eighty-one. [Brother Kidd speaks again to Brother Branham.] Two weeks' revival, just held two weeks' revival and preached every night. Eighty-one years old, healed of cancer.

302 All right, sister, it's your time now. Do you believe? (Onward, Christian soldiers) All right, sister, you, to every one of you, what are we going to do? "Thus saith the Lord." What are you doing hanging around here? Satan, you've lost. We're coming over now. We're marching on over into the promised land. What's that? What is this mountain before us they're building? Who is this stands before there, you'll become a plain? Why? With a two-edged sword we'll chop it to the ground. That's right. All right.

Onward, Christian soldiers,  
Marching as to war,  
With the cross of Jesus  
Going on before!  
Christ, the royal master,  
Leads against the foe; (with His Word)  
Forward into battle,  
See His banner go!

Onward, Christian soldiers,  
Marching as to war,  
With the cross of Jesus  
Going on before!

303 Hallelujah! What did they do? The first thing went forth in battle for Israel, what was the first thing? The singers went forth first. What followed? The Ark, then the battle. All right! Do you believe it now? We're singing, "Onward, Christian Soldiers," we're pulling away every

Thou demon of sickness, come out of this child, and may she go free from this day on I pronounce this in the name of Jesus Christ.

299 Now, Lord God, You who raised the dead and proved that You were God, raise this young woman to her health and strength again, that she'll stand in this building here. The devil is gone from her. We know that You're going to make her well. May she live to the glory and honor of God. It has been spoken, now let it be done.

300 Is there others in here that want to raise your hands and say, "I want to be prayed for. I'm sick; I need God." I don't know how much time we got. We got enough time to let them people pass by here. I just feel real confident this morning. I want you to come down here, Billy, and just take, maybe this one section right here, on this side over here alone. Just let this section come first, then we'll take the back section after that, just up to that aisle there. Then we'll just take them like that, then you won't. . . .

And now I want Brother Neville and some of my minister brothers to stand over here by me, right here, so you can take them right down the aisle again. All right.

All right. Now, how many of you's got your armor on? (You'll be different now; go home and be all right.) Amen! Oh, my!

Oh, you soldiers, pull the sword, pull the sword, soldiers of the cross. Marching on, marching on!

On Christ, the solid rock, I stand;  
All other ground is sinking sand.

All right! Come right along, right down on the side here. Everybody in prayer now, while they pass by. Pull your sword now. Go right through, just keep shouting [People pass through the prayer line.]

Onward, Christian soldiers,  
Marching as to war,  
With the cross of Jesus  
Going on before!

301 Give away, Satan! What's the matter, soldiers? Don't you think we can conquer? We've already conquered. We are more than victors in Christ Jesus. Every devil cast out, everything else. [Brother Branham continues to pray for the sick.]

coming Tuesday at [Brother Neville says, "One o'clock."] one o'clock, and I think you and I are to officiate in this funeral service.

10 But just in a congregation, that we're one weaker this morning, in respect of our Sister Bell let's just stand to our feet just a moment, as we bow our heads.

JOB1:21 ROM1:16 ICOR1:18 1PET1:5

11 God of life, who gives and takes life, as Job of old said, "The Lord giveth and the Lord taketh away; blessed be the name of the Lord." Some years ago You sent Sister Bell among us to be a fellow-citizen with us of the great commonwealth of God. And we thank You for every inspiration that she was before us, how that she loved to sing, and to testify, and would be so filled with the Spirit till she could scream out and shout. And she wasn't ashamed of the gospel of Jesus Christ, for to her it was the power of God unto salvation. Seeing her years number up, and the time comes when we must all answer. And Thou hast taken her from us this morning to be in Thy presence, for it's truly that when we leave here we are in the presence of God.

12 Oh, God, we thank You for all. We pray that You'll bless her husband, my friend, James, her son, her daughters, all those. . . . We understand that her boy is flying from Germany, out of the armed forces, to come home to pay the last respects he can on earth, to his departed mother. How that young man's heart must be throbbing this morning. I pray for him, Lord. God bless him. Bless Jimmy, and how he's . . . see him work out there in tiring hours to make a living for his family. And I pray that the great family will not be separated, but the family wheel will be unbroken in that land on the other side.

13 May we, Lord, now tighten up the armor and the girder a little tighter, and go out into the battle now, to fight with one less than we had a week ago. We pray that You'll sustain us, and strengthen us, and help us as we carry on. And someday may we all gather together again at the other side. For we ask it in Jesus' name. Amen.

Now, may the soul of our departed sister rest in peace.

14 I would like to say that her funeral is to be preached here Sunday-or Tuesday and we would . . . anybody is welcome to come that would come. I guess Brother Neville here has the arrangements and. . . . (You have them.)

15 Now, today I just . . . See there is not too many, if there could be a seat somewhere brought for Brother and Sister Slaughter back there . . . I got your call, Sister Slaughter, and went to pray for your . . . the other Sister Slaughter, Sister Jean Slaughter with that rabbit fever, tularemia. She sure has a bad case of it, but we're trusting God that she'll be all right.

16 Now, we want to read some Scripture, and I just want to teach this morning, taking my time, 'cause since I've come back from out Arizona, why my throat's just a little raw. And now, next Sunday don't forget . . . and I think Billy's already mailed out the advertisements and it'll be quite a lengthy service we believe, so come early as you can. We want to start right about nine-thirty--or I mean ten o'clock and maybe . . . remember about one, or one . . . maybe twelve-thirty, one o'clock, something like that, three or four hours or more.

17 I like to take and just take the Scriptures (bring your pencil and paper) and just lay it out. Is any question, you ask it (you see?) and maybe we can explain it, do what we can to help.

18 Now, let's read some scriptures first. Now, I have three places in the Bible that I would like to read. And first one of them (if you'd like to mark it down and if you got a pencil)--I want to refer this morning to several texts that I would . . . or several scriptures, rather, that I would like to refer to. The first will be I Peter 5:8-10, Ephesians 6:10-17, and Daniel 12:1-14.

19 Now, in reading, taking our time (and everybody practically is seated, so . . . a few standing yet in the back and on the side), but we are going to try to get through as quick as possible and let you out. Then we're going to pray for the sick.

20 We got a little lady, laying here this morning, that's very sick. I understand that she was very sick yesterday. And I just wanted her to hear this morning first before I prayed for her. And I know the conditions of the little lady, and she's very sick but we got a very great heavenly Father who has more than conquered all sickness.

21 And I got a little (I asked Mrs. Wood if she would read it, but she's a little reluctant of doing so) an article where a medical doctor was certainly surprised, when he was a critic on divine healing and wouldn't even let anybody talk about it in his office, and his nurse also. So it happened to be, he got a patient that was a cancer case--a big cancer. He

that they taken from the body of Paul handkerchiefs and aprons; unclean spirits went out of the people, and they were healed of different diseases.

293 Now, we're not St. Paul, but You're still God, and You're still the same Holy Spirit. I lay my hands upon these handkerchiefs in the name of the Lord Jesus, and ask that You bless and heal each one of them.

294 And God, laying over here in a bed, that's been laying here, nothing but a child, just a beautiful little girl. She can't live, Lord. Satan has done evil to her, and the beloved physicians of this earth has tried hard, no doubt, to save the child; they just can't do it. They're at the end of their wits; they don't know nothing else to do. But, Lord, I'm so glad that there's another chapter written. We can turn another page, and in this page we see the great Physician come in. We're calling Him for counsel this morning.

MARK16:17,18

295 Now, Lord, is not it written here in Your Word, that "These signs shall follow them that believe?" Lord, if I'm not a believer, make me one now. If this little girl is not a believer, make her one now. "These signs shall follow them that believe: if they lay their hands on the sick, they shall recover." It's also written: "In My name they shall cast out devils." Lord, them's Your words; it's Yours, it's Your Word.

MATT18:19,20

296 And now, as Your servant, as You said, "If there'll be two or three of you meet together, I'll be in your midst; and if you'll agree, as touching one thing, and ask, you shall receive it."

297 God, this child is probably the most sickest person in the building this morning, because she can't live without You very much longer, and she's the most sickest. So we're all, we're agreeing, as every soldier standing here, and in this group stands the royal seed of Abraham. We're marching in on Satan now. You might as well get ready to go, Satan, 'cause our armors are gleaming, the colors are streaming, men and women holding swords, marching forward now upon you for this little girl. Come out of her, Satan! Leave that child! As the army of the living God, we defy you! Leave her in the name of Jesus Christ! I go to lay hands upon her.

298 Satan, you've bound this child; you've done this evil. I know that you're more than a match for a human being, but you're not a match for my Lord, so I come in His name. Leave her, thou spirit of the devil.

285 Someday, when our great chief captain shall come, who armored us, who give us the armor of God, the Holy Ghost, give us His Word to fight with, stand out there; when our great chief captain comes riding in, I want to step up on the chariot and ride up home with Him; don't you? Then, when I take my little old wife by the arm, look around here and see my brethren, and their wives, and their children; when we start walking down through those paradises of God, and the angels filling the air with anthems above like that; talk about a celebration!

286 And when the battle's over we shall wear the crown. Oh, my! Oh, soldiers of the cross, this morning, pull that arm of faith out here and get a hold of this weapon.

287 What about it, Sister? Are you ready? Pull that weapon out, say, "God I don't care what the devil has said to me, how much anybody else has said, this morning I'm believing. I'm believing."

288 As I said the other day, a little . . . I believe a few Sundays ago, there's a man had a dream. He dreamed that the devil was a little bitty, old thing and run up to him and he said, "Boo!" And he jumped back and the devil got bigger. "Boo!", And he jumped back, the devil got bigger. Finally the devil got as big as he was, going to overcome him. He knowed he had to fight him with something, so he looked around; he couldn't find nothing to fight him with; he just picked up the Bible, and the devil said, "Boo!"

289 He said, "Boo!" right back at him and the devil got littler, and littler, and littler, and finally he beat him to death with the Word.

290 You're a soldier ain't you, Sis? Take that Word and say, "It's written. [Amen!] I'm not going to die; I am going to live. I'll sit right in this tabernacle and praise God for His goodness with the rest of them." Do you believe that, saints? Amen! Let's bow our heads.

291 Oh, Lord God, creator of heavens and earth, let it be known today that Thou art still God. No matter how much I would preach, how many things I'd say, Lord, a word from You settles it.

ACTS19:12

292 These handkerchiefs are laying here, representing sick people. I pray, heavenly Father, that Your blessings and power will rest upon each of them, as I lay my hands upon them. God in Jesus Christ's name, I pray that You'll anoint these handkerchiefs with Your holy presence; for it's written in the Word, it's nothing against the Word, but it said in the Word

wanted nothing to do with that, so he sent her over to another clinic. They wanted nothing to do with it over there, so they sent her back. So they. . . .

22 Oh, it was on the breast, and was in a terrible condition; and all the skin had been eaten off, and the cancer went down into the breast, into the ribs. I guess you understand what I mean. (I got our little doctor friend from Norway sitting with us this morning.) And he got all of his material ready, said he knowed that she wanted him to operate and remove the breast. And it was a very bloody job, and he got all of his packs and everything. The nurse got the lady ready and brought her into the operating room, and then she went back to get the instruments that would have to be used by the doctor and his assistant to take the breast off. And so they had the towels and things laying over. And so they started--when he started to turn around. . . .

23 Her husband wanted to know if he could sit in the end of the room and pray; he was a holiness preacher. And he sat there by the side of the . . . foot of the bed and praying. 'Course the doctor wasn't too well satisfied with that, you know, . . . him being in there. But as long as he wouldn't look, and it wouldn't hurt him, why, I guess it was all right--wouldn't faint.

24 So while sitting praying, there come a fluttering in the room; and the doctor turns to go to . . . with his instrument to start to remove the breast; he moved pack after pack, there wasn't even a scar on the breast--not even a scar! He said, "Does it move?" And he started. . . . And the nurse gave her testimony. Both of them went out and has become Pentecostal, filled with the Holy Ghost, serving the Lord.

25 Not even a scar! The Dr. Holbrook testified himself, said, "One minute before there, there was the woman laying there, and the nurse, and the great big cancer all pushed out on her breast; and one minute later there wasn't even a scar where it'd been moved." That's one of our fine medical doctors here in America. He said he was convinced right then, and yet he was a deacon in a church, see.

26 See, the people just think church is something you just go to and it's a . . . Oh, you go there to learn to be good or something like that. That isn't it, friends. No! God is God; He's just as great today as He ever was and He always will be the same. And He's. . . . We just love Him.

27 Now, we want to read now from I Peter the 5th chapter, the 8th and 10th verse to start with:

1PET5:8-10

*Be sober, . . . vigilant; because your adversary the devil, . . . a roaring lion, walketh about, seeking whom he may devour:*

*Whom resist steadfastly in . . . faith, knowing that the same afflictions are accomplished in your brethren that are in the world.*

*But the God of all grace, who has called us unto his eternal glory by Jesus Christ, after that you have suffered a while, make you perfect, establish, strength and settle you.*

How God be praised!

28 Now, in the book of Ephesians. . . . We'd like to turn here to the book of Ephesians the 6th chapter, and would like to read the 10th to the 17th verse I have marked out.

EPH6:10-17

*Finally, my brethren, be strong in the Lord, and in the power of his might.*

*Put on the whole armour of God, that ye may be able to stand against the wiles of the devil.*

*For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.*

*Wherefore take unto yourself the whole armour of God, that ye may be able to stand in the evil day, . . . having done all, to stand.*

*Stand therefore, having your loins girt about with truth, . . . having on the breastplate of righteousness;*

*And your feet shod with the preparation of the gospel of peace;*

*Above all things, . . . the shield of faith, wherewith ye shall be able to quench all the fiery darts of the wicked.*

*And take the helmet of salvation, and the sword of the Spirit, which is the word of God:*

281 When Stalin came to Russia, for miles behind, each tank just a little behind the other, just bombarded Berlin till there wasn't nothing left of it. That's all. And when they went and these Russian soldiers celebrating, they went in with that, you know, that little funny thing they do. I seen it on a picture one time in London, how they come in (the actual picture of the thing what happened)--come in celebrating. Oh, my! When we heard that the war was over, we screamed, we blew whistles. When the heroes come back, we met them up there; they screamed and hollered.

282 I had a cousin, was in there, said when he come back, all the old . . . the veterans had been scarred so bad they couldn't get out of the bed; so they just rolled them up on top of the ship when they come in, to see the Statue of Liberty standing up. Said, "Them great big men, standing there, they just cry and fall right over, like that, when they seen that Statue of Liberty." Been away from home for four years fighting, battle-shocked and everything else, but they knowed that wife, and sweetheart, and mother, and dad, and children, and all that they loved was right behind that Statue of Liberty; it represented what they'd been fighting for. Oh, the whistles blowed, and New York went into a scream, that's all, when their heroes come marching in. That'll be a minor thing!

283 One time when Caesar, after a great battle, he said, "I want my most famous warrior to ride by me in this great celebration of triumph over our enemy." And every one of the officers trimmed their plumes, and shined their shields, and marched by (you know, like that) as real soldiers like that. After a while, a little old fellow come by . . . cut? My, he just kind of looked up and started on like that. Caesar said, "Wait a minute; wait a minute! You," (not even dressed like an officer) said, "come here." Said, "Where'd you get them scars at?"

Said, "Out on the battlefield."

Said, "Climb up here; you're the guy I want to set by me." Why? He showed that he'd been in battle.

GAL6:5

284 Oh, God have mercy on a man that can cut his hand on a sardine can and get a citation. I want to be battle-scarred! Paul said, "I bear in my body the marks of Jesus Christ." That's why I want to battle on the field.

Got up there and Satan come, said, “Now, I tell you, this is not the right place.”

“I’ll stay right here; get off of my grounds!” Hallelujah!

Lot said, “You better come on down here; we’re having a good time down here. We all got an organization down here. Why, my wife’s the head of the literary society and everything else in the city. I tell you, you ought to come down here.”

Sarah said, “Abraham. . . .”

278 “Shut up, Sarah! [Hallelujah!] Stand right here! This is where God placed me; right here’s where I stand. Here’s where God placed me.”

All hail the power of Jesus’ name!  
Let angels prostrate fall;  
Bring forth the royal diadem,  
And crown Him Lord of all.

On Christ, the solid rock, I stand;  
All other ground is sinking sand,  
All other ground is sinking sand.

Even death itself, everything else is sinking sand. “On Christ the solid rock, I stand. . . .” The royal seed of Abraham, the royal seed.

279 Why, England’s most selected army is the royalty of England, royal blood, everything. And the royal seed of Christ is a Holy Ghost-filled church, filled with the Holy Ghost. What? Royal seed by the promise, not by sensations, but by the promise of God. They stand by the Word of God and chop their way through, screaming, “Hallelujah!” Even death comes and says, “It’s coming up your sleeve.”

Say, “Give away, Jordan, I’m crossing over.” Cut your way right on through to the promised land. Amen!

280 What happens? When the battle is all over (I’m closing now, sure enough), when the battle is all over, and the saints come marching home. . . . I want to ask you something. What happened? What happened when Hitler went into France? Why, they said you couldn’t even see the skies for a while with planes. The Germans goose-stepped (see) just standing--passing by, celebrating a victory.

DAN12:1-14

29 Now, over in the book of Daniel, I would like to read some more. Now, Daniel the 12th chapter; I want to begin at the 1st and read quite a lengthy part of this, fourteen verses.

*And at that time . . . Michael stand up, the great prince which standeth for the children of thy people: and there shall be . . . time of trouble, such as never was since there was a nation even unto that same time: and at that time thy people shall be delivered, every one that shall be found written in the book.*

*And many of them that sleep in the dust of the earth shall awake, and some to everlasting life, . . . some to shame and everlasting contempt.*

*And they that be wise shall shine as the brightness of the firmament; and they that turn away many to righteousness as the stars for ever and ever.*

*But thou, O Daniel, shut up the . . . book, even to the time of the end: many shall run to and fro, and knowledge shall be increased.*

*And I Daniel looked, and, behold, there stood other two, . . . one on this side of the bank of the river, and the one on that side of the bank of the river.*

*And one said to the man clothed in linen, which was upon the waters of the river, How long shall it be to the end of these wonders?*

*And I heard the man clothed in linen, which was upon the waters of the river, when he held up his right hand and his left hand unto heaven, and swore by him that live for ever that it shall be for a time, times, and a half; and when he has accomplished to scatter the power of the holy people, . . . these things shall be finished. [I believe I’ll stop right there.]*

30 I want to take a text (if it would be called a text) out of there from that, to draw this conclusion of “The Greatest Battle Ever Fought.” That’s what I want to use for a text.

31 Now, how I come to get a hold of this for a text for this morning, we have just come back. Couple of the trustees here at the church and myself was out in Arizona. And we went out really to have a meeting at

Phoenix with Brother Sharrit at his tabernacle. But when I found out that a brother was in town, having services in a tent, well then, I felt a little reluctant about holding a meeting. I thought maybe I would have it on the Sunday afternoon, so that no one would be bothered in their churches; but find out that he had Sunday afternoon services also. And I was a little bit worried about having a service, and so we brethren, instead of going on through the day (as we were out hunting), we went into the city and got ready and went to Brother Allen's services. (Brother A. A. Allen was having services.) So we went to the services, and Brother Allen preached a mighty sermon. We had a time, a good time listening to Brother Allen, hearing the singers, and so forth, how they sang, and shouted, and had a great service.

32 And then, we seen all along the road the hand of the Lord. Wherever we went the Lord Jesus would meet with us. And there's something about being out to yourself, out in the deserts. There's something about it that if you're ever alone that way, there's something that draws you. That's I guess is one reason I like those out-of-way places. You get away from the power of the enemy.

MARK5:12,13 LUKE8:32,33

33 So much as we have here, a devil is almost harmless unless he can have something to work in. He's got. . . . You remember those devils that were cast out of Legion? They had wanted to do more mischievousness, so they wanted to go in the hogs. So devils must have something to work in, somebody to work through. And that's the way God does too. He has to have us; He's depending on us to work through us.

34 And many came while we were on the trip with dreams, and the Lord Jesus never failed but give the interpretation correctly and just be just exactly that way.

35 And then He was good to us to lead us to the game, and tell us where it was at and, you know, just to be around like that; it's just wonderful. Set around at night by the campfire away from everybody for miles, and miles, and miles, and watch the flickering campfire around the rocky rims and oh, it was tremendous!

36 One brother there who had been having trouble with his wife that had. . . . Years ago she raised her head in a meeting where that I was having service, and I'd asked them to keep their head down. Had an evil spirit that wouldn't leave a woman on the platform, and the lady just irreverent raised her head anyhow. And the spirit left the woman on the

stopping up, I'm blowing out every one of my avenues. All the flusterations, and doubts, and unbeliefs that I have ever had; every feeling I ever had; all the sickness I ever had; everything else I ever had; I'm blowing them all out; I'm bypassing all of them, coming right straight to my spirit. Oh, Lord, come down; You said, You made me a free moral agent."

"You are, My son."

274 "All right, I open up my heart and my mind. Come in, Lord Jesus"; and grab the faith, that sword of the Spirit, "Thus saith the Lord!" Scream, "Hallelujah!" Amen! Then cut down every enemy in front of you. There it is.

NEH8:10

275 Cut every enemy. If an old spooky spirit making you feel all. . . . Cut that thing away with the Word of the Lord. Our strength is . . . the joy of the Lord is my strength. Get away from me! Whack! You cut him with the Word.

276 Whether it be demon; whether it be enemy; whether it be sickness; whether it be disease; whatever it is; take that Word and pull it with the sword: and if you whack it the first time, it don't seem to move, whack it again, and whack it again, whack it again! And whack it until you've chipped a hole through, like a little chicken peeping itself out--or a eagle, what you are. Peep yourself right on through that old shell of sickness, cut your way out, and say, "Hallelujah, where is the next one?" Amen! That's the battle; that's the soldier. That's the soldier of the cross. Yes, sir!

277 Knock every enemy out. Why? Why? We a predestinated royal seed of Abraham. When Abraham denied everything that was against God's Word, he chopped his way right through every obstacle that come in front of him. They said, "Your wife is too old." He just chopped the thing out of the way.

The devil said, "You can't do this, you can't do that."

Abraham chopped it out of the way. He whacked at it, and whacked at it, until it cut itself through. "Where next, Lord?"

"Move your tent up here." He went and built him an altar up there.

REV17:5

267 It's Romanism that takes the world, and Romanism is the mother of organization. There never was an organization till Rome, and every one of them come out of her, and the Bible said so. She was the mother of harlots! (I could stay a half a day on it again, but I guess I might as well move on.)

PHIP2:5

268 When the enemy attacks us, then . . . "Oh, I tell you, you ought to come join our. . . ." What are you going to do? Back down? Compromise? Not a real soldier won't. No, sir! What do we do then? The mind, let the mind that was in Christ. . . . Is that what the Bible says? The mind that was in Christ be with you. What kind of a mind did He have? Stay with the Word. That's right! Stay with the Word, the Father's Word, and defeated the enemy every time.

EPH6:17

269 Now, when the enemy attacks and tries to say you got to do this, and do that, what are you going to do? Stay with the Word. That's right! What do you want to do then? Take the Word! What is the Word? The Bible said here, we just read it. For the Spirit of God is the Word, see. Look here. "And take the helmet of salvation, and the sword, the sword of the Spirit"--the sword of the Spirit. What? The Spirit that comes in through your mind, and enters into you; and the sword of that Spirit is the Word of God! What does that Spirit fight with? What does the Holy Spirit fight with? Sensation? Feeling the Word! Glory!

270 What does it fight with? feelings? Word! Word! Let's say it, Word! Word! Word of God is what the Spirit fights with.

271 The Spirit of God walks right up to the devil and said, "It is written!" Amen! "It is written!" and the devil gives way.

HEB4:12

272 What do we do? Take the sword, which is the Word of God, pull it with what? A hand of faith, strong hand of faith--the two-edged sword. The Bible said in Hebrews 4, it's a two-edged sword, cuts both coming and going.

JOHN17:17

273 Brother, what does he do? Take the Word. . . . Take the Spirit, let the Spirit come into your heart, open up your mind, say, "Thy Word is truth." (Now you do this, Sister.) "Thy Word is truth. Lord, I ain't going to pay any attention to how I feel, what anybody else says; I'm

platform and went to her, and this was around fourteen years. And the lady has been in serious condition; so much even mentally, till she just does things that's not even right. For instance, left her own husband and went and married another man while she was living with her husband; claimed she didn't know she'd done it.

37 And so they tried to examine her for this . . . what is you call that when you. . . ? Amnesia? My, ever what that name is. I guess that's right, doctor. But it wasn't that; it was a spirit. And the lady was a fine friend of mine, but from that night on she deliberately hated me. ('Course you can see why it was.)

38 But then when her husband came and we knelt in the room to pray, then the Holy Spirit came down; that was it. Then He appeared to her husband that night in a dream. He came back with a dream; he thought it was jokey. Come to find out it was the very answer to his wife's healing. How that the Holy Spirit did deal! On down into Tucson with Brother Norman and them, and there the Lord begin to work again with great, powerful things and revealing things. One night, what drew me to this conclusion here, I was standing with Brother Wood and Brother Sothmann, and we were . . . it was about ten o'clock at night and I was looking up towards the skies, and a great awe came over me. And I said, "Just look! All that great heavenly host." And I said, "Everything is perfectly in harmony."

And Brother Wood said, "Looking at two little stars so close together that it made it look like a light."

39 I said, "But you know, Brother Wood, according to science, in that dipper (the little dipper, the big dipper), those stars don't look over about two inches apart; and they are farther away from each other than we are from them! And if they would start to this earth it would take . . . at thousands of miles an hour, it would take hundreds and hundreds of years for them to reach the earth." And I said, "In all this great, vast system here, and yet they tell us that they look through glasses, can see 120 million years of light time way out in there, and there's still moons and stars. And yet God made every one of them. And He sits in the midst of them."

40 And I said, "Somewhere in there I had pointed out to me, one time in an observatory, the zodiac, beginning with the virgin, coming over through the cancer age, and on down until the last was the lion, Leo the lion. The first coming of Christ by the virgin; the second coming, by the

lion of the tribe of Judah.” And I said, “I tried my best to see that zodiac, and I can’t see it; but yet, it’s there. Those who are trained know it’s there. Job saw it; men used to look at it; it was a Bible at one day. But in that whole great mass of millions and billions of light years, God sits in the midst of all of it, and He looks down. Paul is in there; my mother is in there somewhere looking down.”

GEN1:2

41 And I thought of the order of that heavenly host. Not one of them’s out of place; every one keeps it’s time perfectly, God’s great army. I thought of the soldiers, how that if that moon would happen to get out of order, the earth would be covered again with water just in a few minutes. The earth would be just like it was when God decided to use it for . . . to have us here on it. It was without form, and void, and darkness, and water was upon the breadth of the earth. And if that moon would ever move, it would do the same thing again. When the moon rocks a little bit away from the earth the tides come up; when it goes down, just follows the tides. It’s God’s great army.

42 And when I thought about that being God’s great army there. . . . Now, we went to bed, and then I begin to think that not one of those get out of their place; they all set in place. And if there’s a moving anywhere out of them, it’s for a cause and will effect this earth. We just see the results of it now, from some of them moving into other spots. It’s effective; it effects everything.

43 And I thought then, if that great heavenly host like that has to keep its place to make everything in order, what about the disorder of the earthly host? How when one gets out of order, how it throws the whole thing out of cater. The whole program of God is upset when one member gets out of order. We should continually strive to keep the order of the Spirit.

44 And I would to God this morning, that we would bring this to a real healing service, that we could keep this part . . . group that we have gathered under the roof this morning in such a harmony that the Holy Spirit would place every member of the body that’s here this morning in such harmony, till there would be such a spontaneous healing of soul and body. If we’ll just hold our positions.

45 Now, as I said at the beginning, this lady who had the cancer that Dr. Holbrook was going to take off. . . . Now, the God that caused the fluttering noise to come into that clinic and took that cancer without even

261 Jesus Christ was born in the Roman kingdom and persecuted, His first time come here, by the Roman kingdom. And on His second advent coming now, His message is persecuted by the Roman denominations, which is the mother of all of them. And when He returns, He’ll come back to wipe out that Roman kingdom, that the Jews has always looked for Him to come and wipe out the Roman kingdom. The Catholic hierarchy with all the denominations in the world, right now coming together as an organization, the confederation of churches organizing themselves together. It isn’t Russia, it’s Rome! “Thus saith the Lord.”

262 Show me a Scripture where communism or anything else besides Rome will rule. Did the Medo-Persians succeed Nebuchadnezzar? Sure. Did Greece succeed them? Yeah! Did Rome take them over from there? Did it break up into ten Ottoman powers just like we got now? Did Eisenhower, which means “iron,” Khrushchev means “clay,” did they have their meeting right here and Khrushchev took off his shoe to make it a plain, open thing; he beat it on the desk like that [Brother Branham pounds on the pulpit to illustrate.] to show the people? Well, what’s the matter with the people today?

JOHN17:17 REV17:1,5

263 Where is faith got to? Don’t you believe the Word of God is the truth? (I’m not saying [unclear words] here.) What’s the matter with the preachers today? Communism, every preacher’s out here trying to fight communism. Communism nothing! The thing, the devil is weaving it right under your nose and don’t know it. It’s Romanism, denominationalism, and Rome is the mother of denominations. The Bible said she was a whore and her daughters were harlots against God, against His Word. Soldiers, pick up the Word; [God have mercy] stay with that Word!

264 I’ll perish one day, but this Word can’t perish. You younger people, if it don’t happen in my generation, you’ll see. There’s the thing.

265 Did you hear the news this morning, Mrs. Kennedy going to see the pope, and what the pope said? See? All the religions of the world? Oh. Well, maybe we’ll get a little more of that next Sunday.

266 See? Don’t worry about Russia. Russia is a small pebble on the beach. Don’t you worry about communism; you watch Romanism, when it’s uniting with the churches. There’s nothing written in the Scripture about communism ruling the world. And I go by the Word, regardless of what anything else goes, it’s the Word I believe.

did Jesus do? He was the Word, so with the Word He cut Satan on his wild attacks. He flew in there like a bunch of storm troopers or something another like that, flew in on Jesus, the Word, like that, and Jesus took that Word and sliced him to pieces. Hallelujah! Sure, sliced him to pieces, defeated him with the Word.

256 See his attack? Watch! Listen close as closing. His attack is what? Disbelieve God's Word, that's his attack. There, can you see the greatest battle that's ever fought? There's only two forces: Satan and God. And what's Satan's weapon against you? Is to try to get you to disbelieve your weapon. He disarms you. Let's listen real quiet now, listen.

257 If he can get you to disbelieve your weapon is equivalent, if he gets you to believe that your weapon is not strong enough, he's disarmed you. (Oh, Brother Neville, I hope we never believe that!) Look, he disarms you, when he gets you to disbelieve that weapon. When you lay that down, that finishes your fight; you're done. Hold that weapon; don't you lay it down! We see his unbelief. One more thing I want to say now in a minute.

258 Russia . . . I want to say this for the benefit of the veterans, and so forth here, and you Bible students. What you fussing and hollering about Russia? You don't hear me telling you to build no bomb shelter, do you? What you fussing about Russia? Russia ain't nothing; they ain't going to win no wars; they ain't going to conquer no world. Communism isn't going to conquer no world. What's the matter with people? Can God's Word fail?

259 Listen, this is on tape now. To the world I speak or wherever these tapes may go. And to you people here, no matter whatever happens to me, you believe this. Russia, communism isn't conquering nothing! God's Word can't fail. Romanism is going to conquer the world.

DAN2:37-39

260 Let's take Daniel's vision; that's the Word of God. "Thou, oh Daniel . . . or thou, oh King Nebuchadnezzar is this head of gold--Babylon. Another kingdom will succeed thee, which was silver (see), which is Medo-Persia; another one was Greece, Alexander the Great; next come in Rome"--and there wasn't nothing said about communism! Rome conquered the world.

leaving a scar, don't you know that same God's here? And the only thing that He is waiting for is for His army to get to position, like the stars--get to position.

46 Now, do you know we've had wars after wars and rumors of wars, and if the earth stands we'll have plenty more wars. But do you realize that there is really only two powers in all the universe? Of all of our differences between nations, and differences between each other and everything, it all 'mounts up to two powers. There's only two powers and there's only two kingdoms--two powers and two kingdoms. All the rest of the little minor things are connected with either one of those powers. And those powers is God's power and Satan's power. That's what every war, every disorder, everything that comes along, it's either controlled by God's power or Satan's power, 'cause that's the only two powers there is. And that is the power of life and the power of death. Now, that's the only two powers.

47 And Satan can only . . . His power he's got is the perverted power of God. It isn't no real power; it's a perversion of God's power, everything that Satan has. Death is only a perverted life; a lie is only the truth mistold, see. Adultery is a act misused, a righteous act misused, see. Everything that Satan's got is something that was perverted, but it's a power.

48 And we are today sitting here, and one or the other power is going to control us; so let's cast out the evil one. Let's take our position like the stars of the heavens.

JUDE1:13

49 As the Bible speaks, "Wandering stars [over in the book of Jude], foaming out their own shame." And we don't want to be wandering stars: wonder if this is right, wonder if that's right, wonder if it will happen, wonder if . . . how it could be. Don't wonder, stay like those stars of the heaven as a real soldier at his post of duty! Stand there believing! Life and death. . . .

LUKE14:28

50 Now, an army--when really an army--a nation makes ready to go against another nation, it should first set down and figure what's right and wrong, and whether they're able to go against the next nation or not. Jesus taught that. And if people would do that, if the nations would sit down and stop and think those things, both sides, we would have no more war.

51 Now, we find out if a man doesn't do that, if the military heads of the nation doesn't sit down first and figure and see that they are right, and their motives and objectives right, and if they have enough strength and power to overcome the next army; then they're sure to lose.

52 That's where General Custer made his fatal mistake. General Custer, as I understand, had orders from the government not to go into the land of the Sioux, because it was a religious time for them. It was a time of worship; they were having a feast. But Custer got drunk, and he thought that he would just do it anyhow. He would cross, whether it was orders or not orders. And then they actually shot some innocent men--shot at them. I think they hit some of them. It was scouts out hunting for food to feed their people while they were in worship. And Custer, crossing seen them and thought they were after their side, and so they shot into these scouts, And these scouts escaped and got back. What did they do? They armed themselves, and here they come, and that was the end of General Custer--because he didn't sit down and think first.

53 He had no business there! He had no right to be there! He'd pushed the Indians from the East Coast all the way across the west anyhow. And they had a treaty, but he broke the treaty. And when he broke the treaty, then he lost the battle.

54 And so, a army, first in getting ready for a battle, first it's got to be a . . . select some soldiers. They've got to be dressed for fighting; they've got to be trained for fighting. And I believe that the greatest battle that was ever fought is now ready to go in action. I believe that God has been selecting His soldiers; I believe He's been dressing them, training them. And the battle front is now set, getting ready to start.

55 This great first battle that was ever fought begin in heaven when Michael and his angels fought against Lucifer and his angels. It first started. . . . The first battle was in heaven, so sin did not originate on earth, it originated in heaven. And then it was thrown down from heaven, cast out of heaven to the earth and fell on human beings. Then the battle from angels become human battles. And Satan come to destroy God's creation. What God had created to be for Himself, he had . . . Satan come to destroy this. That's what his purpose was, was to destroy it. Then the battle begin here on earth and begin in us, and it's been raging ever since.

56 Now, before any battle can be put in array, they first have to choose a meeting ground or a place where the battle is to be fought, a

corner and everything. Brother, it's time for another Arnold von Winkelried.

250 It's time, time for another man of God to stand forth; it's time for an Elijah to appear. It's time for something to take place; God's army, close up your mind; don't stop for a minute to think of anything the devil's got to offer you through your senses. But remember, God's Word can never fail. These two great armies. . . .

ISA59:19

251 When the enemy comes in like a flood, as is coming today, what did God say He'd do? The Spirit of God would raise up a standard against it. Are you one of them? Yes, sir!

JAS4:7

252 We are taught in James 4:7 (I don't have time to read it), James 4:7, to resist the devil, and he just won't walk away, but he'll flee. Resist the devil! How do you resist the devil? The same way our chief captain told us to do it. Take the Word of God; that's how you resist the devil is by the Word of God. The chief captain told us just how it was done. All right.

253 Now in closing, I want to say this: that old devil, now you think he's brazen; you think he'll attack a child? He'll attack anything; he attacked Jesus Christ. He come at Him with three wild attacks. Did you know that? Satan didn't just only attack once. He attacks you with a disease, then here he'll come back and attack and tell you, "The days of miracles is past. You didn't get healed; there's nothing to it." You know that's right?

254 He attacked Jesus three time. Three wild attacks he run in on Jesus with his unbelief in God's Word. Jesus was the Word. Sure, he didn't believe it. "If thou be. If thou be!" Here he come, wild attacks, like sometimes the enemy makes. Here he come, say, "If thou be the Son of God show me a miracle; let me see it done." Brother, three wild attacks he flew in, "If thou . . . if thou be."

JOHN1:1,14

255 Now, what did Jesus. . . ? Jesus was the Word of God; He was the Word. He attacked the Word. Glory! I'm just getting . . . just feeling good to preach now, honest I am. Jesus is the Word. "In the beginning was the Word, and the Word was with God, and the Word was God." And the Word was made flesh and dwelt . . . Jesus was the Word. What did He do? He cut him to ribbons. Oh, my! (I'm going to quit.) What

that, hollering, "Make a way for liberty!" Run as hard as he could go right to the army; and when he did, he grabbed every one of the spears that he could and threw them right into his breast like that, and died.

244 He told them before that, said, "There's a little home over yonder, a wife, and some babies." He said, "I'm leaving a little home that I've just bought." And said, "I love them, but today, I die for Switzerland." He give my . . . he said, "I give my life to save the nation." And that was a hero that . . . They haven't had a war since; that ended it. It routed that army, with that heroism so displayed, till there wasn't . . . The army was so confused, the Swiss rolled rocks on them, and run them out of the country, and never been back since. That's been hundreds of years ago, see. Why?

245 That was a great deed, but oh, brother, one day when ignorance, superstitions, doubt, flusterations, and fears had God's people backed into the corner, there was one named Jesus Christ said, "This day I die for the people." That's right.

246 What did He say to His army? "Follow Me and fight with everything you got. If you got a club, fight with a club; don't be afraid! If you got a stick, fight with a stick. If you got a rock, fight with a rock, whatever you got!" That's what our chief captain says today. "I've took the Word of God and I defeated the devil in his power." He chopped him to ribbons (Amen!) with that Word.

EX15:26 PSA103:3

247 Now whatever you've got, if you just got one word, "The Lord thy God, that healeth thee." Chop him! Follow! (Amen!) Follow our captain. Yes, sir, He chopped him up.

LUKE16:8

248 Satan with his big beautiful kingdoms, and more beauty, and everything, all up-to-date don't have nothing to do with us. That's right. He's still the most subtle of all the beasts of the field. Yes, sir! Jesus said that the children of this world were wiser than the children of the kingdom of God.

249 Now, these two great conflicts (we're going to . . . I have to close.) These two great conflicts are coming together right now. Right now is the hour when sickness and things has struck the world, till medical science is stumped, and everything's stumped; there's nothing . . . We're just . . . And the army, the little army of God is being backed into the

selected place. In the First World War it was so placed in no-man's-land and places where they'd fought, and there's got to be a place selected.

1SAM17:2,8,40

57 Like when Israel went to war with the Philistines, there was a hill on each side where they gathered. And that's where Goliath come out and called to the armies of Israel. That's where David met him, in the valley, when he passed over the little creek that run between the two hills, he picked up the rocks. There has to be a place selected.

58 And in this, there's a mutual ground, no-man's-land, and they fight here at this place. They just don't one fight over here, and one down here, and one right over here; there's a battle front where they meet and test their powers, where each army tests its strength against the other army--a mutual meeting place.

59 Now, don't miss this! When this great battle started on earth, there had to be a mutual meeting place; there had to be a place selected for the battle to begin, and for the battle to rage; and that battlegrounds begin in the human mind. There's where the battle starts. The human mind was chosen for the place of the battle, where it was to begin; and that is, because that decisions are made from the mind, the head.

60 Now, they never started it from some organization; they never started it from some mechanical affair; the grounds never started there; therefore, that organization can never, never do the work of God, because the battlegrounds, where you've got to meet your enemy, is in the mind. You've got to make your choice. It meets you.

I want this little girl here that's very sick to be sure to listen now to this real closely.

61 Decisions are made in the mind--the head. There's where Satan meets you. And the decisions are, because that God made a man that way. Now, I have--if you was looking on my note here--a little map drawn out. I had it here not long ago on . . . used on the board.

62 The human being is made up just like a grain of wheat. It's a seed, and the human being is a seed. Physically you're the seed of your father and mother, and the life come from the father, the pulp come from the mother. So the two together, the egg and the blood comes together, and in the blood cell is life, and in there it begins to develop making the child.

63 Now, any seed has a shell on the outside; the inside is pulp, and inside of the pulp is the germ of life. Well, that's the way we're made. We are body, soul, and spirit. The outside the body, the shell, the inside of that, the conscience and so forth, is the soul, and the inside the soul is the spirit. And the spirit governs all the other.

64 Now, if you'll sit down when you get home and draw three little rings, you'll find out that the outside body has five senses it's contacted by, and that is see, taste, feel, smell, hear; that's the five senses that control the human body. Inside of the body is a soul, and that soul is controlled by imagination, conscience, memory, reasons, and affections; that's the thing that controls the soul. But the spirit it only has one sense--the spirit. Oh, let's get it! The spirit has one sense, and that sense either dominates it, is faith or doubt! That's exactly. And there's only one avenue to it, there's free moral agency. You can accept doubt or you can accept faith, either one you want to work on.

65 Therefore, Satan begin at the principle part to cause the spirit of man to doubt God's Word. God began at the principle part to lay His Word in that spirit. There you are, that's what does it.

66 If this church right now could be put together and knitted together with such, that every person would be in one accord, with not one shadow of doubt anywhere, there would not be a feeble person in our midst in another five minutes; there would not be nobody here desiring the Holy Ghost, but what would receive it. If you could just get that certain thing fixed!

67 Now, there's where the battle begins--right in your mind, whether you will. . . . Now remember, it's not Christian Science now, mind over matter; that hasn't. . . . The mind accepts the life which is the Word of God, and there brings the life. Just your thought doesn't do it, but the Word of God brought in the channel of your thought, see. It's not the thought, as Christian Science make it, mind over matter. No! That isn't it. But your mind accepts it and grasps it. What is your mind controlled by? Your spirit; and your spirit catches the Word of God, and that's the thing that's got life in it. It brings life into you.

JOHN15:7

68 Oh brother, when that takes place, when life comes down that channel into you, the Word of God is manifested in you. "If ye abide in Me and My words abide in you, then ask what you will and it'll be done for you."

237 Now, we find out that if he hasn't got forked hoofs, then he must be something else. He's a slicker; he's wisdom, educated, organized. Brother, he's got his army so. . . .

238 Look! One time over in Switzerland (I just can't find a place to stop, folks) there's a . . . over in Switzerland, there come this German army--the aliens coming in. Why, it looked like a brick wall! Every man trained, every spear sitting out like this, eight or ten feet in front. And they come up to the poor little Swiss up there. What'd they have? They were armed with the blades out of their sickles, sticks and rocks. And there they stood; they'd backed them up. Right across the hill was their homes. Here the Swiss army went out to meet them. They hadn't done nothing to them. They just come in and take their land.

239 What in the world has this child done?--just a kid. Satan, that's who it is, would take her life if he could. Certainly! There he is, prematurely.

240 See? The Swiss hadn't done anything. They were good people; they were trying to defend their homes, but they stood out there to defend. After a while there was one by the name of Arnold von Winkelried

241 Here come this army; they was all surrounded. Said, "What can we do?" Everywhere, just oceans of men, well-trained. That's the way Satan does it. Well-trained, his spear pointing right out, each man in step, one-two, one-two, just pulling in on this little army. Just keep walking, that's all they had to do and just pick them, every one, of them with swords, spears and go right on through them. That'd ended the Swiss army; that'd been all.

242 Right over the hill was their homes and loved ones. The women had been ravished, and raped, and their young daughters and children killed and homes burnt, and everything, food taken, cattle and stuff and gone. There they was. What happened?

243 Inspiration struck one by the name of Arnold von Winkelried. He said, "Men of Switzerland, this day I die for Switzerland!" Amen! "This day I die for Switzerland!"

They said, "What'll you do?"

He said, "You just follow me and fight with all you got!" He stood up there, throwed down his spear (his little stick he had in his hand like that); he screamed out with his hands up, like that, and run towards

DEUT8:3 MATT4:4 LUKE4:4

He said, "But it's written: 'Man shall not live by bread alone.' " "Oh, that's the way the chief captain did it.

MATT4:5 LUKE4:9

Took Him up on top of the pinnacle of the temple and said, "If you cast yourself down," said, "you know, it's also written. . . ."

DEUT6:16 MATT4:7 LUKE4:12

He said, "Yeah!" Said, "It's written again: 'Thou shall not tempt the Lord thy God.' " "See what He called Himself? The Lord thy God. "Thou shalt not tempt the Lord thy God." It's written again like that see."

MARK16:17

234 Oh, my! What did He do? He defeated him with the Word of God. The tactic of the devil is to get you to disbelieve God's Word, and the chief captain said take God's Word and do it. "In my name they shall cast out devils."

235 Oh, Satan, their chief captain, oh, you know, some of these denominations try to get you to believe he's got a forked hoof, you know and a split tail, and all that stuff. Don't you believe it. Uh, uh! He ain't that way. No, sir. Brother; he's a slicker. Don't you believe he's got that. They just do that to scare you away; that's not the devil. The devil don't have a hoof to begin with. I doubt it very much. He's just a . . . he's a spirit; the devil is a spirit. He don't have forked hoofs and things like they try to picture him. No, no! But he's wise. Brother, he's a real wise man, educated to the spot (always has been) in worldly wisdom. Oh, yeah! He's beautiful. Organized his army with worldly wisdom, till, Brother, don't you try to speak your words. You better know what you're talking about when you meet one of these guys saying, "The days of miracles is past."

236 Now, he ain't got split hoofs. He's right out of the seminary, he's polished, brother; I mean he's smart-- PhD, LLD, QUSD, and all the rest of it, see. Oh, in there he's just as smart as he can be. Wise? Sure he is, the serpent--sneakiest of all of them. Hair slicked down, brother, I mean dressed and not a wrinkle in the coat, smart--just as wise and shrewd as he can be. That's right. Don't you fool with him, unless you know what you're talking about. That's right. Oh, but we know his old tactics. We know what he's trying to do: get us to disbelieve God's Word. And he hasn't got forked hoofs. No, no! No!

69 Then what does that do? From the middle of the heart, which is the soul, from there goes forth, feeding every channel. The trouble of it is we're standing in here with a lot of doubt trying to accept what's out there. You've got to stop that and come down that channel with the true Word of God, and then it goes out, itself, automatically. It's what's on the inside. That's the thing that counts, is the inside. Satan's approach is from the inside.

JOHN3:3,7

70 Now, you say, "I don't steal; I don't drink; I don't do these things." That has nothing to do with it (see?), it's the inside. No matter how good you are, how moral you are, how truthful you are, those things are respected, but Jesus said, "Except a man be borned again. . . ." See? There's got to be something happen inside. If you don't, that's artificial put-on for down in your heart you desire to do it anyhow.

PROV23:7 MATT17:20 MATT21:21

MARK11:23

71 It can't be artificial, it's got to be real. And there's only one avenue that that can come down, and that's by the way of free moral agency, come into the soul by your thoughts. "As a man thinketh in his heart so is he. If you say to this mountain, 'Move' and don't doubt in your heart but believe that what you have said will come to pass; you can have what you said." You get it? There you are, see. There's the battleground.

72 If you'd only get that started first. We're so anxious to see things done; we're so anxious to do something for God. This little lady's, no doubt, anxious to live; she wants to be well. Others are here, wants to be well. And when we hear about that case, like the doctor, the resurrection of the dead, the great mighty things that our God has did, then we're anxious. And the thing of it is, we try to reach through these senses to grab a hold of something here, like conscience.

73 So many people lots of times has misconstrued the Word, and I've been misunderstood by this, by making altar calls. I said I wasn't much on an altar call; not meaning that you shouldn't make an altar call, but somebody get somebody by the arm say, "Oh, Brother John, you know what? Me and you've been neighbors all this time; come up here to the altar; get down."

74 What's he doing? Wish I had a blackboard here, I could show you what he's doing. He's trying to work through his soul on affections.

That don't work! That's not the avenue! Certainly it isn't. Maybe he's working in what? A memory, through the sense of his soul. "Oh, Brother John, you had a wonderful mother; she died a long time ago"--a memory, see. You can't do that, it's got to come down the line of free moral agency. You, yourself, let the Word of God. . . . You don't come because your mother was a good woman, you don't come because you're a good neighbor; you come because that God calls you to come, and you accept Him on the basis of His Word. That Word's what means everything.

75 That Word, if you can get everything out of the way--all conscience, all senses--and just let the Word come in, that Word will produce just exactly.

76 Here, see what it's covered over with? You say, "Well, now. . . ." You say, "Well these conscience, and senses, and so forth don't have anything to do with it, Brother Branham?" Certainly it does! But if you let the Word come in and cover it over with conscience, then it can't grow; it'll be a deformed word. Did you ever see a good grain of corn planted in the ground and let a stick fall over it? It'll grow crooked. Anybody, anything that grows up will, because something has hindered it.

MATT24:35 MARK13:31 LUKE21:33

77 Well, that's what's the matter with our Pentecostal faith today. We've let too many things hinder it, the faith that we've been taught, the Holy Spirit that's been living in us. We've let too many things . . . looking at somebody else, and the devil's always trying to point you to somebody's failure, but he tries to keep you away from the real testimony that's genuine. He'll point you to a hypocrite sometimes, who went out impersonating something. He didn't do it, because he was impersonating. But if it come from the true source of the Word of God, "Heavens and earth will pass away but My Word cannot pass away." It's got to stay. You see it, sis?

78 It must be accepted in the mind; then it's believed with the heart; then the Word of God becomes a reality; then every senses of soul and body is just scoured out with the Holy Spirit. Then your sense of God; your conscience of God; everything that's godly flows through you. There's not a doubt anywhere. There's nothing can rise up. There's nothing can come up in the memory and say, "Well, I remember Miss Jones tried to trust God. Miss So-and-so, Miss Doe tried to trust God for healing one time, and she failed," see. But if that channel has been

It's written. That's the captain's orders. It is written: "Whosoever heareth My words and believeth on Him that sent Me has eternal life." It's written; it's written; it's written; that's the orders; that's the soldier; that's the way; that's the artillery we move up.

228 What did he do? He walked right up there to a Goliath. He showed him. . . . How did David show the army how it was done? How did David show Israel how it was done? *David* means "beloved, savior," see. How did David do it? He said, "Here's the way it's done: trust in the Word of the Lord."

1SAM17:44

229 And Goliath come out there, said, "You know what? I'll pick you up on the end of this spear, and I'll feed you to the birds."

1SAM17:45,46

230 He said, 'You meet me as an organization; you meet me as a modern scientist; you meet me with your great big fourteen foot sword; you meet me with a helmet of brass and with a piece of shield that I couldn't even lift off the ground; you meet me as a trained warrior; you meet me with PhD, and LL.D., and double-LD; you meet me in all these things; but I come in the name of the Lord God of Israel, and today I'll cut your head from your shoulders.' Amen!

That little bitty wart, coming out there against that giant, but he knowed where he was standing. Israel just shaking back there, "Oh, poor little fellow."

Goliath said, "I'll show you what I'll do," and here he come.

231 He had f-a-i-t-h (see) i-n J-e-s-u-s, five rocks, five stones. One little stone in there to start it off with. Whirling it around like that, the Holy Ghost got a hold of the rock and away it went; Goliath went to the ground. That's the way it's done.

232 That's the way Jesus said when He said, "Now, if you brethren is going out on the field, if you want to know how to conquer these devils, I'll show you how it's done."

MATT4:3 LUKE4:3

233 Satan said, "I'll meet you (Goliath); I'll show you what I can do. You're hungry; if you are the Son of God, I'll challenge you. You say you're the Son of God, I'll challenge you, if you're the Son of God, turn these stones into bread. Eat, you're hungry. And if you are the Son of God, you have power to do it."

down here"--untrained men. Brother, as soon as that engine stopped, who was at the head of the ladder? The captain! When that ladder went up, he went with it. When it struck the window (he hadn't got through the window yet), he grabbed his axe, and threw it through the window, and said, "Come on, boys." The fire was out in a few minutes. A captain! He was not a captain saying, "Spurt a little water here; try a little bit here," but, "Come on, boys." Amen. He led the way; he showed us how it's done.

I thought, "That well-trained fire department, they had that fire out in a few minutes." Why? They had a captain there that knowed what he was doing.

225 Brother, talk about all your theology you want to, your man-made denominations, your organizations. Play with it! I got a chief captain that told me how to do it. Say, "Well, if I can smell it, feel it. . . ."

226 Oh nonsense! Here's the way the chief captain said it's done in Luke the 4th chapter. I ain't got time to read it, read it yourself. Luke the 4th chapter begin at the 1st verse. He never said, "Now, I tell you. You go over here and you make a great organization; you get presbyters, and deacons, or get cardinals and bishops and you get this." He never said that.

MATT4:3 LUKE4:3

When Satan met Him, he said, "Now, you're hungry; turn these stones into bread."

MATT4:4,7,10 LUKE4:4,7

He said, "It's written."

MATT4:8 LUKE4:5

He said, "Up here, we'll take you up here and show you something."

MATT4:4,7,10 LUKE4:4,7

"But it's written!"

"I'll do this if you'll. . . ."

MATT4:4,7,10 LUKE4:4,7

"It's written!"

MATT16:17,18 JOHN5:24

227 That's how the chief captain said it was done. How is it done, Sister? It's written: "If they lay hands on the sick they shall recover." It's written: "In my name they shall cast out devils." Amen! What is it?

cleared out, and been purged, and been filled on the inside with the Holy Spirit, that don't even come in memory. No matter about Miss Jones and what she did, it's you and God together, and nobody else but you two. There you are; there's your battle.

79 Kill him at the beginning; stop him dead in his track! It ain't how long you can make the war linger, it's stop it right now. If you'll come, and you'll keep them memories, and conscience, and everything thinking about, "Well, I might fail. It might not be right." Don't you do that at all! You throw aside everything and open up the channel and say, "God, Your Word is eternally true, and it's for me. If the whole church fails, if the whole world fails, yet I can't fail, because I'm taking Your Word."

80 There's the battle; that's the thing. Why would Almighty God remove a cancer from a woman's breast without a scar and let a child lay and die? No, sir!

81 A little girl come here not long ago from the high school. Her mother called me up, said, "Brother Branham, my girl's got Hodgkin's disease." (That's cancer that forms in lumps.) And the doctors took a piece from a break on her throat, sent it away, and it was perfectly Hodgkin's disease.

So he said, "The next one breaks may break over her heart; when it does, she's gone." Said, "She hasn't got. . . . The way they're breaking, she's got anywhere about three months to live."

The mother said, "What shall I do, send her back to school?"

Said, "Let her go because she'll go probably suddenly." And said, "Just let her go and live a normal life as she can. Don't tell her nothing about it."

So the lady said to me, "What must I do?"

I said, "Bring her up and put her in the prayer line." And I said, "You come with her!" (I felt a little funny feeling.)

82 And when the little girl come by that morning with blue-looking lips from makeup, and as the school has them, and the little thing come by (I didn't know who she'd be, they called me on the phone) I took a hold of her hand; I said, "Good morning, sister." There she was; that was her. Just in a few moments looked down to her mother and seen both of them without God, without Christ. I said, "How can you expect healing on these grounds? Will you accept Jesus Christ as your personal Saviour?" I

said, "Will you come to this pool here and be baptized in the name of Jesus Christ for the remission of your sins?"

They said, "We will do that!" Oh, you know what happened!

83 The woman may be sitting here this morning. Many of you know the case. Brother Mike Egan, one of the trustees here, watched the case; that's been about four or five years ago. The little girl was took back to the doctor; not even one trace of Hodgkin's disease was found in her.

84 What was the matter? You had to open the channel first! You've got to get the soldier, the Holy Spirit, placed at the battle front to take God's Word. He is the Word, and He stands there and there's nothing going to stop it then. There's nothing . . . every one of the other channels is cleared out.

85 Just like an old boiler with the flue stopped up; you put a fire, and it'll blow your thing up. That's what's the matter with so many blowed up Christians is because that they don't clean the channels out; they don't go down to the inside. You've got to clean it--conscience, memory, thoughts--laying aside everything and coming from the inside out with that unadulterated Word of God, that it's the truth. No matter if ten thousand died on this side today trusting, ten thousand died on that side tomorrow trusting, that has nothing to do with me. I'm the individual; I'm the one that's trusting; I'm the one that believes it!

86 And we see back yonder, if we want to open up our channels then, if we can and see, we find this one and that one, and this one and that one, thousands of them testifying, but the devil will try to come right back. See, if he can get in there at all, he's got your army routed right then. If you've got your senses--see, taste, feel, smell, and hear, they're all right, but don't trust them, unless they agree with the Word. They're all right, but if they disagree with the Word, don't you listen to them.

87 Now, imaginations, conscience, memories, reasons, and affections, they're all right, if they agree with the Word. But if your affection doesn't agree with the Word, get rid of it; you blow a flue right quick, see. If your reason disagrees with the Word get away from it! That's right. The engine. . . . If your memory, if your imaginations, if your conscience, anything disagrees with that, what's on the inside, get rid of it!

PSA8:3 PSA147:4 ISA40:26

Onward, Christian soldiers,  
Marching as to war,  
With the cross of Jesus  
Going on before! . . .

GAL2:20

219 "I'm crucified with Him; nevertheless I live; not me that live, but He that liveth in me." The Word going on before, God cutting a way with His sharp two-edged sword.

220 No wonder, when Grant took Richmond, and that little southern woman seen Grant coming in, the inspiration struck her and she said:

Mine eyes have seen the glory of the coming  
of the Lord;  
He's tramping out the vintage where the  
grapes with wrath are stored;  
He's loosed the faithful lightning with His  
terrible swift sword;  
His troops are marching on. (Amen!)

221 How did Grant take Richmond? Just as he come to it. Amen! That's how he took Richmond. That's how God's soldiers take sin, sickness--just as they come to it. Amen! That's the way they overcome their doubts, and fears, and things. When one rises, they chop him down, move out of the way. Oh, my! That's it.

222 God cast them out, like He did in heaven. Our great chief captain showed us how it was done.

Roy Roberson, Brother Funk, many of you old veterans here, you know what a real captain is.

223 One time I was just a little. . . . Jeffersonville Fire Department down here. . . . Fowle's place caught on fire, and here was Jeffersonville Fire Department standing down there, and the captain walking around said, "Spurt a little water up here" [Brother Branham imitates the sound of water squirting.]--like a little hose out here. Here come the Clarksville up, "Spurt a little water over here." [Brother Branham imitates the sound of water squirting.] Fowle's building burnt down.

224 They called Louisville; here come trained men. Oh, how them sirens rang across there! And here's the chief captains along here of these fire departments say, "Spurt a little water up here; spurt a little water

that great big, kingly, priestly Goliath trying to scare the liver out of you, right, but, God, you're fortified (Amen!) with the gospel, with the Word of truth around your loins. Glory! Preacher, that's what it is: helmet of salvation, the shield of faith, and the sword waving in your hand. "Satan, I'm coming to meet you. You meet me in the name of science; you meet me in the name of culture; you meet me in the name of organization; you meet me in the name of this, that, or the other; but I meet you in the name of the Lord God of Israel! I'm coming after you. Get away!" Even death itself can't stand there. Chop a hole right through it. That's right.

MARK16:17

214 Satan's army brings diseases, and God's army is commissioned to cast them out. Amen! There you are. Every time Satan throws anything onto you, God's army is to cast him out. Amen! Cast out, that's the very technique that God used. Satan used the army of destruction to disbelieve God's Word, and set him up a better kingdom than Michael had and God cast him out.

2COR10:5 EPH2:6

215 God's method is cast out the evil, cast down reasoning, cast down superstition, cast down worry, cast down diseases, cast down sin. Amen! You're above it, resurrected in Christ Jesus sitting in heavenly places with every devil under your foot. If he starts to stick his head in there, what. . . .

ROM6:4 COL2:12

216 You know, you are dead; your life is hid. What is dead? You're dead to your senses; you're dead to your conscience (your own human will would say, "Yes, I guess I. . . ."), dead to your reasonings, dead to all those things, and you are buried in the name of Jesus Christ and raised with Him. And wherever He is, there you are also.

217 What happened when one of them doubters got in heaven? God kicked him out. And what did He say to the soldiers that's raised in Christ? When the devil comes along kick him out! Cast him out!

MARK16:15-18

218 When Jesus trained His army and commissioned them to the ends of the world: "Go ye into all the world, preach the gospel to every creature. He that believeth and is baptized shall be saved; he that believeth not shall be damned. And these signs shall follow the believers, my soldiers; in my name they shall cast out devils; speak with new tongues; take up serpents; or drink deadly things, it wouldn't harm them; if they lay their hands on the sick they shall recover."

88 What you got then? You've got a solar system. Hallelujah! God set the stars in order and said, "Hang there till I call you." They stay there. Nothing's going to move them. When God can get a man in His hands, till he can get senses, conscience, everything cleaned out, until it stands with God behind it in the Spirit; there's not a devil in the world can poke a doubt in there! That's right.

89 If he come around and say, "You don't feel any better," Your conscience is even gone to that. The flue's so clear it shouts, "Hallelujah." The outlet blows a whistle; "Glory to God!" It sounds out. Certainly! Just as clean and clear for the Word of God to work through, the power of God, see. That's the main thing; there's your battleground. Your battleground is back here at the beginning, back here in the soul, back in your mind that opens. The mind is the gate to the soul--the gate to the spirit rather. Your mind opens up and accepts the Spirit or it rejects the Spirit.

90 You can have little consciences, and little feelings, and little sensations, all these things that has nothing to do with it. That's just little sensations and things. But when it comes to reality, your mind opens it up. Your mind either accepts it or rejects it! That's it, friends. God, let none of them miss it! See? It's your mind that opens up the door (or closes the door) and listens to your conscience, listens to your memory, listens to your affections. But when your mind closes itself to these things and lets God, the Spirit of His Word, come in, it blows the rest of the stuff out! Every doubt is gone; every fear is gone; every sensation of doubt is gone; every feeling is gone! There's nothing standing there but the Word of God, and Satan cannot battle against that! No, sir! He cannot battle against it. Now, we know that's true.

GEN3:4

91 These battles has raged since the day of the garden of Eden, the battle in the human mind. Satan started it. What did he do when he met Eve? He didn't deny God's Word, but he whitewashed it. He stopped up some little channels here somewhere. He said, "But surely God . . . [Genesis 3:1 see.] Surely God. . . . All these things that He promised. . . ." He knowed the Word was right, but he knowed he couldn't just come right out and blast it out blarey like that, but he sugar-coated it.

92 Like mama used to get us to take medicine, and she'd try to put orange juice in castor oil. My, I'd just rather take the castor oil without

the orange juice. Anything that's hypocritical! See? We used to have to get up at nighttime, and she'd give us coal oil for croup. And she'd put coal oil and put sugar on it, see. Kind of hypocritical, but it'd just burn your tonsils out nearly going down after the sugar left.

93 Well, that's the way it is, friends. Satan tries to be hypocritical about it. He tries to show you something better, a easier way, a more sensible plan. But there is no more sensible plan than that God laid down at the beginning--His Word! Hold that Word; get a grip on it. Let it get a grip on you! Stay there with it! That's the thing.

GEN3:1

94 The battle raged when Eve opened up her mind to listen to her reasoning. That's the flue it come in; that's the channel it run down--her reasoning. She in her soul, she reasoned. Her eyes, with sight she saw the serpent. He was beautiful, handsome, far better than her own husband. He was the most subtle of all the beasts of the field. And he was probably a fairer man than her husband; he looked like a great masculine beast standing there. How great he was, and he was trying to tell her what a great thing it was. And the first thing she did, she opened up her mind. And when she did, human reasonings caught it. "Why, wouldn't that be a thrill!"

95 That's the thing he does to a woman today. Some woman with a lovely little husband finds some great, big masculine man; this man'll try to open you up the reasons. Remember, that's Satan; that's the devil! Or vice-versa, man to woman, woman to man, either way. What does he do? Work in that reasoning power, that conscience or something begins to move through, but give God's Word the first place.

96 A man can't even come to . . . he can't sin. Hallelujah! Here it is, this is coming fresh. A man cannot sin until first he casts aside God's Word! He can't even sin (that's disbelief) until first he gets rid of the Word of God, the presence of God; he cannot sin.

97 Eve could not sin until she laid aside God's Word, opening up her channel of reasons through her soul and begin to reason. "Why certainly, my husband's never told me these things, but I believe that you. . . . He told me I shouldn't do this, but you know, you make it so real; it's so plain. I believe it would be wonderful, because you're making it so plain to me."

*withstand in the evil day* [That's the day we are living in.], *and having done all, to stand.* [Stand! Amen! You get that? See, Honey, when you've done all you can to do to stand, then stand, don't move!]

*Stand therefore, having your loins* [Listen at this, listen to what this is.] . . . *your loins* [That's your middle part here, see.] *girded about with truth,* [What is the truth? The Word of God. That's right. "Thy Word is truth." All right.] *and having on the breastplate of righteousness;* [That is, do what's right . . . got the Word of God in you, doing what's right.] . . . *the breastplate of righteousness;*

*And your feet shod with the preparation of the gospel of peace;* [Go anywhere, any place, any time; feet shod with the gospel, see. And look!]

*Above all,* [above all of it] *take the shield of faith,* [That's the one that knocks off the darts, see.] . . . *the shield of faith, wherewith ye shall be able to quench all the fiery darts of the wicked.*

*And take the helmet of salvation,* [That's the soul, mind--the mind in here--the head--covers over the head.] *and the sword of the Spirit, which is the word of God.*

211 How are you going to let this helmet . . . what it does? It's a protection. What is the helmet made out of? Brass! Brass can't even be tempered . . . hard, harder than iron. A brass headpiece--the what? The salvation, knowledge of knowing this: "That my healing comes from God; my salvation comes from God; my spirit matches His Word," not the church's idea, the Word. Amen! There you are. Covered over with a protection. The helmet of salvation, deliverance, take that and then go marching forward, Oh, now! Now, that's what we're supposed to do.

212 Satan's army, now watch. (Now, we . . . I just got to hurry, but I got to get this in.) Satan's army brings diseases. That's what Satan is, he's a destroyer. Satan. . . . The whole kingdom of Satan is sickness, death, and sorrow, and flusterations, and worry all on Satan. God is life, faith, joy, peace, over here, see.

213 Now, that's the two great forces that's coming together right now. They're battling; they're battling right here in the building right now. They battle day by day with you. Every force, Satan following you along,

storehouse. I don't know where the trip is, but wherever it is, He knows where He's leading; I don't. I just follow.

EPH6:10-12

Now, what did he say here now? Listen closely!

*Finally, my brethren, be strong in the Lord, and in the power of his might. [Be strong in the power of His might.]*

*Put on the whole armour of God, that ye may be able to stand against the wiles of the devil.*

*For we wrestle not against flesh and blood [shooting bullets and cutting with knives, see, that's not it], but against principalities, against powers, against the rulers of . . . darkness of this world, . . . [the rulers of darkness.]*

209 Who rules the world? The devil. Certainly. Who's all these things going on, all these ungodly things going on around through here, in these governments, and so forth? It's all the devil; the Bible said so. The devil controls in United States; the devil controls Germany; the devil controls every nation in the world. (I'm coming to it just in a few minutes.) And we'll find out whether he does or not, whether every kingdom ever was and ever will be until God sets up His kingdom--is controlled by the devil. I don't mean everybody in it is the devil, now. There's godly men in government offices.

There's going to be one here in a few nights, right here, to show a picture here with Brother Arganbright here at the place. He's been the diplomat to about five different presidents, Brother Rowe, and he's a . . . (He'll be here, I think it's about second week in April. Brother Neville'll announce it.) And he's a wonderful man.

EPH6:13-17

210 He said he could speak in eight different languages (I believe) but when he received the Holy Ghost, he didn't have no language he could talk to the Lord; so the Lord just give him one, so he could talk to Him with that one . . . give him a new one that he never had practiced on. All right.

*. . . spiritual wickedness in high places.*

*Wherefore [Now, listen, all ye soldiers now, just before we start the prayer line.] take unto you the [w-h-o-l-e] whole [not just part of it] the whole armour of God, that you may be able to*

98 See? There was the first battle. And through that battle has caused every other war and every bloodshed that ever come was caused right there at Eden. She disbelieved God's Word.

2COR10:5

99 And if one little iota of God's Word was disbelieved, caused all this trouble, how are we going to get back, disbelieving the Word? You can't do it. You've got to shut off all these other things, conscience, memories and reasonings, and all these other things, "casting down reasonings." We don't reason about it at all, nothing at all. We just accept the Word upon the basis, "God said so"; and it sets a stream between you and God. Every channel comes open between you and God then. There's the battle, the very first front line.

100 Let's not use a .22 rifle. Let's get an atomic bomb. Let's do the job right. Let's get God's atomic bomb. "What is it, Brother Branham?" F-a-i-t-h in His Word! That's God's atomic bomb, and it blows sickness and devils right and left. It annihilates them, discriminates. Oh, it just destroys; it disintegrates everything that's ungodly. When that bomb of faith drops in there with the Word of God behind it, it blows every devil, every sickness, every disease.

101 You say, "Is that right, Brother Branham? Then why does it on some and not on others?" It's because of the channel. You can look out and see it, but you've got to have it in here looking this a-way. Not out there looking in, you got to be in looking out, see.

102 You can't come through reason, you can't come through these other things; you've got to come right down God's channel of it, right into the soul. And how do you do it? What's the last channel? It'll reason right on down and say, "Senses. Oh, I can feel it. Yeah, there it is. Uh-huh. Oh, I might smell it or so forth. These things are there, yeah."

103 Next thing you reason, "Well, it looks like he ought to know what he's talking about. The doctor says I can't get well. That ought to be. . . ."

3JHN1:2

104 You see? Right there you're wrong. That's the devil standing there. That's the devil poking these things into you; don't you believe it. Hallelujah! God's Word said, "Above all things I would that you prosper in health." That's right. How can you be a real soldier out there? "I want you to prosper in health."

105 There it is right there, those channels. If you just get them opened up; don't just bypass them. Then if Satan can get through there, get by these conscience and all these other things, then he gets right down here at the end of the soul in the mind. Now, if he can just get you. . . . You'll never look at one of them until first you have to let him in here. You have to let him in; then when he gets in, he's got control.

106 Then what does he do? He begins to use the conscience. He begins to use this, begin to use this outlet. What is it? See, taste, feel, smell, hear, imaginations, conscience, memory, reasons, affections; he begins to use all those different little channels, as long as he could get in above this one here. He's got to come in your mind first, and you have to accept it. It can. . . .

GEN3:6 EX15:26 PSA103:3

107 Listen! It can batter against you, but it can't get to you until you accept it. When Satan walked up to Eve and said, "You know, the fruit's pleasant," she stopped for a moment. Oh, that's when she made a mistake--when she stopped for a moment. Don't stop for nothing! You've got the message! Jesus lives; God's a healer; that's the message. Don't stop for nothing, no reasonings, no nothing else.

108 But she stopped for a moment. That's when Satan walked right into that mind. Said, "Well, it sounds reasonable." Oh, don't do that! Just take what God said.

GEN12:4 ROM4:17

109 Abraham, what if he'd stopped for reasoning when He told him he was going to have a baby with Sarah, and she was sixty-five and him seventy-five! And when he was a hundred and she was ninety, he still . . . he confessed that God's Word was true; and he called those things which were not as though they were, see. Even hope. . . . Was there any hope? He didn't even use hope.

ROM4:18

110 "Well," you say, "I hope I can get all right. I hope I'll be well I hope I get the Holy Ghost. I hope I'm a Christian. I hope I do this." You don't want that! Abraham never even looked at that! Amen! Against hope he still believed God's Word! Faith is beyond hope. Faith comes from back here in the inside, faith comes from here. How does he get in? Through this mind, this door, the battle front standing there.

111 Now, when you get the battle set in array. . . . Now, the devil's sitting right to every heart this morning. He's sitting at this little girl's

202 Leo, you remember the dream you had that time when you first come here, about the pyramid, and you thought you'd come up in there? And I said, "Leo, no man gets up here; God has to put a man up here. You climbed every physical realm that could be climbed." I said, "You can't come here, Leo, see. Go back down, just tell the people that it comes from God, see. See? It's something that you can't depend upon. . . ."

As good as brethren, and sisters, and my church, and everything; and good as other churches are, and brethren everywhere. . . .

203 Now, I cannot keep away from the church out there. Somebody says, "Well, why do you go out with them people, them trinitarians, all this, that, and the other, the oneness, and Jesus' name, and all these other things out here. Why do you mix up with them for at all?" They are mine. No matter what they have done, they're mine. They are my pulpit.

NUM16:21,45

204 When Israel had done so evil, until God even told Moses to "Separate yourself; I'll start a new tribe with you." Moses threw himself in the way and said, "Before You take them, take me."

205 No matter what they had done, that's who I am sent to. He sends a light, not to shine where there's light, where there's darkness; that's where light belongs. And you've got to get with the people; you've got to stand with them regardless.

206 In their wrong. . . . Israel was wrong as wrong could be. They were so wrong, till God give them up, but Moses. . . . I've always wondered how that ever come, but it was the Spirit of Christ in Moses. See, see? We're all wrong. He stood for all of us, when we was in our wrong.

MATT10:16

207 No matter how wrong they are, let's not disfellowship or disassociate ourselves with anything. As long as we can win a soul, let's go in with "wise as serpents, as harmless as doves" (see), and try to win every soul that we can.

208 Now, what I am saying this morning, is storing food, storing food, so that you'll have something to eat, so that you'll have something to feast upon. Get it on your tapes; set in the cool of the room. Maybe when I'm long ways away, you'll still remember these things are true. Set in your room and listen, see. And this is food, storing it in the

And the boatman come up and he said, “Here’s you a boat,” a real white, plastic canoe.

I said, “No, uh-uh, not that.”

He said, “Well, you can run up this way with it fifty miles an hour.”

I said, “But I got to cross that way,” see.

“Well,” he said, “get with them guys.”

I said, “They’re not boatmen. They don’t know enough about that, they’re enthused. They can’t shoot that; they’ll both drown out there; they just can’t do it!”

And he said, “Are you . . . can you trust. . . ?”

I said, “Listen, I know more about boats than they do, and I wouldn’t try to shoot it with just that kind of material.” I said, “It’s got to take a power boat to cross that.” I said, “It’ll take something greater than that.”

And I seen him look around to one of the brethren and said, “Are you a boatman?”

The brethren said, “Yes,” see.

I said, “That’s wrong.”

And the boatman come back; he said, “Tell you what you do.” Said, “They love you; they believe you, but” said, “if you try to cross in the power boat, they’ll try to follow you in that canoe; they’ll both die,” see. Said, “They can’t follow you.”

And I said, “Well, what must I do?”

And this boatman at the dock, he said, “You go back up there.” Said, “There’s only one little storehouse in all this country, one little storehouse. And just lay in plenty of supplies,” said, “and they’ll stay here. They’ll stay here, while you’re gone, but” said, “you’ll have to lay in supplies.”

And I was just ordering all kinds of cabbages, and turnips, and radishes, and things, piling them in there like that; and I woke up. I didn’t know what it was, but I do now, see. We’re laying in the supplies, brethren. This is a life that you have to walk alone.

heart; he’s sitting at your heart; he’s sitting all around there. He’s saying, “Oh, I’ve seen you try before; I’ve heard that before.” Casting him out; that’s all, cast him out. What did the Bible say here, in our text? Casting him out; that’s right, cast him out.

112 We’ve been trained, I think, “What’s the matter with us preachers?” I wonder what kind of a training we’ve had. God’s training you for this great battle.

DAN12:1 MATT24:21

113 Matthew 24 said there’d . . . and also Daniel 12 said there’d be a time of trouble such as never like on the earth before. And we’re living in that time when culture, and education, and things has smothered over the Word of God and got into reasonings and so forth. The battle is now. Who’ll stand? Hallelujah! The battle’s ready to go in; she’s in array now.

1SAM17:26,32

114 Look what a great opposition we got yonder. Who will be like David said, “You stand and let that uncircumcised Philistine defy the armies of the living God! I’ll go fight him.” Amen! God wants men and women this morning who can raise up and say, “I’ll take the Lord at His Word! Amen! No matter what fail, where this one done and what that one did; that has nothing to do with it. You Sauls and so forth, if you’re afraid of him, get back where you belong, but God’s army’s moving forward.” Amen! Men of valor, men of faith, men of power, men of understanding. They don’t have to be smart; they don’t have to be educated; they have to be channels. God takes those little channels. She stopped for a moment to reason, saying, “Well now, let’s see.”

JOHN11:25

115 Well, just like. . . . What if this little lady this morning, no doubt that the doctor’s told her she’s just about the end of the road; there’s nothing can be done. Well now, that doctor . . . I don’t condemn him. That man is a scientific man. He sees that the disease has conquered the child’s body. It’s beyond anything. He hasn’t got a medicine that will stop it. So had that cancer conquered that woman. Sure, death had conquered that baby, but our Chief Captain (Hallelujah!) of this great army, He’s the resurrection and life; nothing can conquer Him. Hallelujah!

116 The brains of the army lays in its captains, the intelligence. Rommel in Germany was the brains of Germany--not Hitler, Rommel.

That's right. Eisenhower, military men, Patton and those men who were at the front, it depended on which way they gave the order.

117 You follow your captain. If he's a right kind of a general, if he's a right kind, if he's a four-star general, if he's proved, if he's been proven to be right, follow him! Though it may seem wrong to you, go on to the front; do as he told you! Hallelujah!

REV1:18

118 We've got a five-star general spelled J-e-s-u-s, placing five stars on us f-a-i-t-h. He's never lost a battle. Hallelujah! He conquered death, hell, and the grave. Get the devils out of the way. He's the great Chief Captain. So the devil isn't even in the picture.

119 The greatest battle that was ever raged is setting right ready now. Certainly it is. Oh, Hallelujah! When I think of it, when I stand there and watch Him do things, see Him reveal things, open up things, say, "It'll be this way and that way," and there it is! Oh, look back here and say, "Who is this great captain?" Oh, I don't look back and see if it's Doctor So-and-so. I see what the captain said; He's the captain of our salvation. Hallelujah! What is salvation? Deliverance! Glory! He's the captain of our deliverance!

120 The great hour of "Charge!" is at hand. Hallelujah! Soldier with armors gleaming, colors streaming. Faith and doubt is setting theirselves in array in this tabernacle this morning--doubt on one side, faith on the other. Soldiers, stand at your post of duty! Hallelujah! Our captain, the morning star, leads on. He never goes back; He never . . . don't know the word retreat. He don't have to retreat. Amen! Certainly!

121 The greatest battle ever fought, she's going on right in here now (yes, sir!) between life and death, between sickness and health, between faith and doubt (oh, my!), between liberty and bondage. The battle is on. Shine your spears, soldiers, polish up the armor.

HEB4:12

122 God's getting His soldiers ready. Amen! God anoints His army. America dresses their soldiers in the best that they can have to dress with, steel helmets, and armors, and whatever they got, armored tanks, and whatever they go in. God dresses His army. Hallelujah! What kind of equipment do we use? The Spirit of the sword, the Word of God. Amen! The Word of God's sharper than a two-edged sword (Hebrews 4), piercing even to the asunder of the bone, even to the marrow of the bone, even the

*Finally, my brethren, . . .*

Now, I know I'm going. . . . It's twenty minutes right now to twelve, just about. I didn't want to teach you too long today, but I may not have but just about one more message, till I take some of my trips for the summer (you see?) and. . . .

You know what? You know why I'm doing this? I'll tell you. The other day I had a dream. I wasn't going to tell it, but it's just on my mind; I might as well do it.

200 After the Lord has give me interpretation, I dreamed that I was fixing to cross a great river for mission work. And I. . . . First, I was up there with my wife, and how many ever knew George Smith, "Six-second Smith," here in town? George Smith, his boy is on the police force here. Poor George is an alcoholic now. But he was one of the best fighters. He was the one that gave me my training, before I even went to YMCA and anywhere. He used to train us. And he was fast, real fast and only a welterweight, 145 pounds, and he trained me. He used to stand up there; and he could take his fist right like that, and hit me right in the stomach, and raise me up against the wall (see), and it wouldn't bother me. He just had me trained, till it wasn't nothing but just training.

201 And then I dreamed the other night that I seen "Six-second Smith" (now, it wasn't a vision, it was a dream), and I seen "Six-second Smith" . . . young fellows coming against him and wrestling. And that old man about--oh, I guess, I'm fifty-two; he's about fifty-eight, sixty--there wasn't any of them young guys could touch him in any way. He'd just tie them in a knot, like that, just lay them on the floor and hold them with his hand. And I thought, "That's strange," and I thought my wife was with me, and I said, "That's strange." I said, "You know what, Meda? He used to be my trainer."

She said, "I remember that, you telling me about it."

I said, "Yes, sir! With his good training I won fifteen professional fights and quit the business to preach the gospel."

Just then it changed, and I was starting to cross a water. But when I was going, I was going by a power boat. I looked over, and there set two of my brethren, sitting there in a canoe, getting ready to go with me. I said, "You can't do that, brethren. Uh-uh. I must go alone."

know what you're feeling. . . ?' Don't even speak to him. Just keep going."

192 The devil. . . You know, the devil say, "But you know what? You know So-and-so, when they got the Holy Ghost you remember they almost lost their mind." Don't even speak to him; just keep on going. You don't know about So-and-so, it's you and God. That's right. Keep God!

193 He anoints His servants. (I got to hurry.) God anoints His servants, see? (Now, I got to bypass a few notes here, but I'd like to say this.) Here. . . Listen now, close, little lady. Listen close now.

194 Here we see the tactics of the devil. How do we do? Now, I've got a lot of Scriptures here, of prophets and things, where he come to them, and different peoples through the Bible and done the same thing. It's always, his tactic is to try get the people to disbelieve God's Word.

ROM3:4 EPH6:11

195 Listen, you soldiers of the cross! When you disbelieve one word of God's written Bible, you're disarmed. Believe that, Honey? You're disarmed; you surrender. You jellyfish, put on the full armor of God! Amen! We're in a battle. What God said is true, every man's word's a lie, see.

196 But as soon as you . . . gets you to listen to one thing, that's his tactic, you're disarmed. How many things did Eve have to listen to? One; she was disarmed right then.

197 What'd the devil do? Swept right in through her mind into her spirit, and there she was perverted. Is that right? She was perverted, the very minute that she was disarmed, when she disbelieved God's Word. All right! Here we see his tactics.

EPH6:11

198 God's soldiers are commanded to put on the full armor of God. Is that right? Now, if you want to write that scripture down, it's found in Ephesians 6:10 and 13, see. We read it a while ago; it's our text. All right.

EPH6:10

199 Notice, put on the full armor of God. Let's . . . (have you got a few minute's time?) Let's go back here just a minute. Let's just see what the full armor of God is. All right. Let's begin at the 10th verse. Now, listen close now. Let's find the full armor of God:

discerner of the thoughts of the mind, the Word of God. To believe His Word, and that's the way God armors.

123 That's what He give Eve to arm herself with, and she broke her armor down. How'd she do it? By opening up her mind to reason. You don't reason with God's Word, it has no reason. It's just God's Word. There's no doubt about it; there's no reasoning to it; it's God's Word, that settles it. That's got it. That settles it forever. See what I mean, Honey? It's God's Word. God promised it. God said so.

They said to Abraham, "How do you know you're going to have that baby?"

"God said so!" That settled it.

"Well, why ain't you got it?"

"I don't know when I'm going to get it, but I'm going to get it. God said so. That won't stop me a bit!" He caught. . .

"Why don't you go on back to your home where you come from?"

"I'm to be a pilgrim and a stranger in this land." Amen. "God give the promise; God will give the baby right in this land where He sent me."

124 Hallelujah! God will heal you right in this atmosphere of the Holy Ghost, where He sent you. God will give it to you; just believe it! Amen. Open up them flues of the soul and body, senses and conscience, and just let God's words penetrate. First take that mind; there's the battleground. Not say, "Well, if I could feel it. . . If I could feel the glory of God falling." That has nothing to do with it, not a thing. Open up that mind, that's the battleground; there's where the battle sets in array, right here in the front line, your mind. Open it up and say, "I . . . every doubt, I doubt my doubts." Amen! "I'm doubting my doubts now; I'm believing God's Word. Here I come, Satan!" Something's going to take place. Sure it will. Yes, sir!

HEB1:14

125 He anoints His servants with His Spirit; He sends them angels. People make fun of that sometimes--angels. Let me turn to something here with you just a minute. Let's turn over here to Hebrews just a minute, Hebrews the 4th chapter. Fourth chapter, and let's . . . I mean the 1st chapter of Hebrews, and let's turn to the 14th verse:

*Are . . . not all these ministering spirits, sent forth to minister for them who shall be heirs of salvation?*

HEB1:13

126 “Which one of the angels did He say, ‘Sit thou on my right hand?’--all the angels of God.

HEB1:14

127 Now, here the Bible comes right back and tells us here that God sends forth angels. Glory! What are they? Ministering spirits. Glory! Ministering spirits sent where? From the presence of God. What to do? Minister His Word. Amen! You’re not to minister some theology of some denominational group, but to minister His Word. That’s it. Ministering spirits sent forth.

AMOS3:7

128 How do we know they are? The Bible said that the Word of the Lord came to the prophets. Is that right? These angels minister His Word through His Spirit, minister the Word through the Holy Spirit; and the Spirit and the Word came to the prophets; and the prophets had the Word of God. That’s the reason they could do the miracles that they did. It wasn’t the man, it was the Spirit of God in the man, the Spirit of Christ in the man. For the Word of God. . . .

1KNG18:36,37

129 What had he done? Cleaned out every channel. God had chose him, and he was anointed with the Holy Ghost, and it wasn’t him. He never did anything till he saw it in a vision. Elijah said on Mount Carmel, “All this I’ve done at Your command. Now, Lord, let it be known that Thou art God.” Oh, glory to God!

130 I’ve seen it so many times. When you see the Spirit of God strike a place, and that place get under the anointing. If this little group in here this morning just could just take this mind here, get every doubt out of the way. How can you doubt any more when you see the dead raised up, the lame walk, the blind see, the deaf hear?

MARK16:20 HEB13:8

131 The angel of the Lord, even His picture hanging here on the wall, has got science stumped everywhere. What does He do? Stay right with the Word. Amen! It cuts every devil. Yes it does. What is it? The ministering spirits sent from the presence of God to anoint the speakers of the Word, that stays with the Word, and He confirms the Word with signs

MARK16:17

186 I thought, “Well, I don’t know too much about the Bible, but I believe Jesus said this: ‘In My name they shall cast out devils.’ “ And Wayne had done sobered up a little bit and was sitting there watching it, see. So I said, “Now, devil, I don’t know who you are, but I’m telling you now, this is my sister, and you ain’t got no business with her, holding her. She didn’t mean to do that; she just stopped for a minute.” (That’s where she made her mistake though.) I said, “But you’re going to have to come out of her. Do you hear me?” And so help me (God will at the judgment bar know), that screen door begin to opening and shutting by itself--pumpity, pumpity, there at the door. Ka-plunk, ka-plunk, ka-plunk, I thought. . . . And she said, “Bill, look at there, look at there!”

And I said, “Yeah. What is that?”

She said, “I don’t know.”

187 I said, “Neither do I!” And the door going pumpity, pumpity, pump, shutting like that, I thought, “What’s the matter here? What’s the matter?” And I looked in like that, and I said, “Leave her, Satan. In Jesus’ name come out of her!” When I said that, it looked like a great big bat, about this long, rose up from behind her, with long hair hanging down out of its wings and off of its feet like that it’s going, “Whrrrrrr,” started right towards me, just as hard as it come. I said, “Oh, Lord God, the blood of Jesus Christ protect me from that!”

188 And Wayne jumped up in the bed, looked; and here it was like a big shadow, circled around, and went over, and went down behind the bed. Out of the bed went Wayne, into the next room as hard as he could.

189 So I got Nellie and took her home, and come back, and I couldn’t. . . . Mom went in there and shook the sheets and everything; there wasn’t nothing in that bed. What was it? A devil went out of her! What happened? She stopped for a moment. That’s all.

190 Don’t stop at all! God sinks His Word in your heart, just take that sword and start chopping and cutting! Hallelujah! “I ain’t got time to wait for nothing else. Just crossed over, I haven’t got time to even settle down.”

2KNG4:29

191 He said, “Take my staff and lay it on the baby; and if anybody speaks to you, don’t even speak to them. If the devil says, ‘Hey, you

I said, "Come in," and I turned the lights on.

Now, she was just crying like that, and she said, "Oh, Billy, I'm gone, I'm gone!"

I said, "What's the matter, Nellie? You got a heart attack?"

She said, "No." She said, "Brother Bill, I was coming down Spring Street." She said, "Honest, Brother Bill, honest, Brother Bill, I didn't mean no harm; I didn't mean no harm."

I said, "What's the matter?" I thought, "What am I going to do with her now?" I didn't know what to do. I was just a young fellow, and I thought. . . .

Said, "Oh, Brother Bill," said, "I'm just all to pieces."

I said, "Now, quieten down, sis. Tell me all about it."

182 And she said, "Well," she said, "I was coming down the street, the Redmen's Hall. . . ." (And they used to have Saturday night dances there.) And she said, "I had some stuff; I was going home to make me a dress." And she said, "I heard that music, and," she said, "you know," said "I stopped just a minute, and," said, "it kept getting better. So I thought, 'You know, it won't hurt if I stand right here.' "

That's where she made her mistake, stopped for a moment.

183 She just listened, said, "Well, I'm going to think." Said, "Oh Lord, You know I love You. Oh," said, "You know I love You, Lord, but I can sure remember the time when Lee and I used to win all the cups and so forth." Said, "My, I remember that old music used to attract me; it don't now." Oh, oh! Oh, oh, you just think it don't, it's already got you right there. That's just as good as he want's right there, see.

1THS5:22

184 How many ever knowed Nellie Sanders? Well, I guess a whole lot of you. Yeah, sure! So they was. . . . She said, "Well, do you know what?" Said, "Maybe if walk up on the steps up there," said, "maybe I'll be able to testify to some of them." See, you're right on the devil's ground. Stay out of it! Shun the very appearance of evil!

185 But she walked up to the top of the steps and stood there a few minutes, and the first thing you know, she was in some boy's arms out on the floor. Then she come to herself, and she was standing there crying and going on, said, "Oh, I'm lost now for good."

following. Brings Jesus the same yesterday, today, and forever. There He is.

132 How could we doubt when He's both scientifically, materially, spiritually, every way that can be proved, He's proved here. What's the matter? It's in our minds. We open our minds to the things, say, "Well, I don't know whether it could be or not. Maybe, if I feel better tomorrow. . . ." Oh, that don't have one thing to do with it!

133 As I have often said, Abraham might have said to Sarah. . . . She was passed the age of being a woman (you know what I mean?), the time of life, her twenty-eight days, see. She was sixty-five years old; she was probably passed it for fifteen, twenty years. And he said to her, maybe the next few days said, "Do you feel any different, Dear?"

"Not a bit a-different."

"That don't have one thing to do with it; we're going right on anyhow. Well now, if you start back as a young woman again, we know that through that blood of life, well then, we find out there that it's going to cushion the baby and everything'll be all right. Now, do you feel any different today? It's been a month since He promised me. Do you feel any different, Dear?"

"Not a bit, Abraham. There's not a sign of nothing. I'm still just like I have been now for the last few years; there's not a bit of difference."

"Glory to God, we're going to have it anyhow!"

"Do you mean, Abraham, upon. . . . Look, if He promised you, surely He'd give us a sign this a-way. Surely He'd give us a sign!" Hallelujah!

MATT12:39 MATT16:4

134 A weak and adulteress generation seeks after signs. That's right. He had a sign. What was it? God's Word, that was a sign. How could God heal this child? God's Word said so. If I feel a sensation or no sensation, if I, no matter what happens, God said so, and that settles it.

Abraham said, "Get your bonnets and everything together, we're taking off to the land."

"Where're you going?"

“I don’t know (Amen!), but we’re going anyhow. Here we go!” Packed up and going. Hallelujah! That’s the real Word of God. What was he holding in front of him? The promise of God, the Word of God. “We’re going to have it.”

GEN12:1

135 “Come out from amongst your people, Abraham, they’re . . . the thing of it is they’re doubters and unbelievers, and they’ll have you in the same fix. Come on out, separate yourself and live for Me.” What is it? “Leave all your conscience, and senses behind you like that; open up your mind, and remember it’s Me. Come live with Me.” Amen!

136 God’s calling every seed of Abraham this morning to that same kind of a life. Great battle is on now, worldwide. God wants his children separating themselves from what? See, taste, feel, smell, hear, imaginations, conscience, memories, reason, affections, everything. Open up their mind that every word come in and march with the Word. That’s a real soldier.

137 That’s the way the stars stand. The solar system hasn’t changed. The zodiac, the morning star rises on its post of duty every morning just exactly the way it did when the earth was created. The evening star takes its place. Every star, the little dipper, right at the time of season is just exactly where it’s supposed to be. The North Star stands steady and never moves. Hallelujah! The whole thing revolves around the North Star--all the rest of them, because it’s right in the center of the earth; that’s Christ. Amen!

EX17:11,12 HEB1:3 HEB8:1

138 He stands there, commands His army like a great captain. Like Moses on the mountain with his hands up, and Israel was fighting, cutting their way through; and he stood with his hands up. He stood with his hands up until the sun went down; they had to hold his hands up. That was Moses; he was a type of Christ. To be sure that His hands stayed up, His hands was nailed up on the cross. Hallelujah! And He climbed the ramparts of glory today with His bloody garments before God at the right hand of His majesty there. And the battle to every soldier’ll cut his way through (I don’t care what takes place) with the Word of God, he’ll cut himself to freedom. Amen!

139 Like a chicken in a egg, what if he’s afraid to peep? What if he’s afraid to peck the egg? What if the little chicken inside the egg, the little bird was afraid to hit the egg shell? What if he’d heard a sound on the

over her soul. She raised up from there shouting and praising God, glorifying God.

179 And about six or eight months after that, she was coming down Spring Street one night (now just a young girl, she was just in her teenage, about eighteen years old), and she come to me, and she said, “Hope. . . .” (That was my wife, the one that’s gone on.) She said, “I wished I looked like Hope and Irene.” She said, “You know, they never did get out in the world.” Said, “The world puts a mark on you.” Said, “I got a rough look.” Said, “Now, I quit wearing makeup and stuff, but I look so rough. Even my cast of my face,” she said, “I look rough.” She said, “They look so innocent and tender.” Said, “I wish I’d have never done that.”

1JHN1:7

180 I said, “Nellie, the blood of Jesus Christ cleanses from all sin, Honey. Go on, believe it.”

181 Wayne Bledsoe (many of you know him here, a bosom friend of mine years and years), he was a drinker, and he come up here with my brother, Edward. And he got drunk down here in the street, and I picked him up, ‘cause cops was going to get him. And I brought him up here; and I was a preacher and lived up here with my mama and papa was way before I was married. And I took him, put him in the bed in there; I slept on a Duo-fold. There’s a big bunch of Branham’s you know (ten of us), and so we had about four rooms, and we had to kind of double up a little. So I had an old Duo-fold I slept on; and I pulled it out like this and put Wayne to bed with me, drunk. Had to pack him in the house and lay him down. And I was laying there, I said, “Wayne, aren’t you ashamed of yourself like that?”

He said, “Uh, duh, Billy, don’t talk to me like that.” You know? I put my hand around and I said, “I’m going to pray for you, Wayne. God bless you.”

And I’d been saved about, oh, I guess about, maybe a year. And so then all at once a cab, slammed the door outside, and somebody knocking real hard, “Brother Bill! Brother Bill!”

I thought, “My goodness, somebody must be dying.” I jumped up to the door, grabbed my old thing there, throwed it around my pajamas like this, and covered Wayne up, and run to the door. It sounded just like a woman. I opened the door, and this young girl standing at the door, she said, “Oh, can I come in?”

“Oh, she . . . I was sitting across the table from her; she had the prettiest eyes.” See? That’s it. The devil does the same thing.

173 “Oh, the doctor told me I couldn’t get well, so I . . .” There you are. Same thing, see. The greatest battle that ever was fought!

174 “Well, they tell me . . . I seen So-and-so claimed to have the Holy Ghost. . . .” Yeah, you looked at some old hypocrite. How about them that really had it? You see? Yeah, the devil will point you to some old crowbait, but he won’t show you the real dove. That’s right. He won’t show you that one; he’ll keep that blinded from you.

1JHN4:4

175 Oh, he’s a warrior too. Remember, but great is our . . . greater is He that’s in you, than he that’s in the world. So hold to God’s Word; believe it, you captains of the army here. Hold your fort, brother. That’s right, hold your post of duty!

176 So, I had a little girl here one time. The lady may be sitting here now; her name is Nellie Sanders. One of the first times I ever seen a devil cast out. (We lived. . . . Now, if I can just get the place, it’d be just about three blocks up here, beyond the graveyard.) And I just become a preacher, and I was preaching right here on this corner with a tent meeting. And that little girl was one of the best dancers. She went to high school down here. And her and Lee Horn (now many of you here in town know Lee Horn down here, runs the poolroom in there)--so they, her and Lee Horn, was the best dancers there was in the country. He’s Catholic himself; ‘course, religion didn’t mean nothing to them. So then (Nellie and them), so she was a great dancer and he was too, and they had this here dance called the “black bottom” and “jitterbugs” and all them things; and she was . . . them two was the best in the country.

177 One day she staggered in up here (one night) to the meeting. There she fell down at the altar, little Nellie; bless her heart. She just laid there at the altar, she raised up her head, and she cried; and the tears running down her cheeks, she said, “Billy. . . .” (She knew me.) She said, “I want to be saved so bad.”

178 I said, “Nellie, you can be saved; Jesus already saved you, girl. You have to accept it now upon the basis of His Word.” And she stayed there, and she cried, and she prayed, and she told God she’d never listen to the things of the world again. All at once a lovely, sweet peace come

outside, said, “Don’t hit that shell; might hurt yourself”? But nature itself in the bird tells him, “Peck it! Knock a hole in it.”

Let all the old organizations say, “Days of miracles is passed. You’re going to hurt yourself. You are going into fanaticism.”

140 Peck right against the shell just as hard as you can. Hallelujah! “Satan, get away; I’m coming out of here; I’m not laying here any more; I’m not sitting here any more; I’m not on this old devil’s ground no more; I’m pecking my way out this morning! Amen! I’m a eagle!” Amen! Hallelujah!

141 With that little old eagle, that trip-hammer neck back there pecking against that shell, no matter how hard the shell was, it pecked right on through it. First thing you know he could flop his wings a little. He was all right.

JOHN8:36

142 Peck your way out; that’s right. How do you do it? Blasting it with “Thus saith the Lord, thus saith the Lord, thus saith the Lord.” Finally he begins to smell some fresh air. “Thus saith the Lord.” . . . got your head on the outside. “Thus saith the Lord.” Push hard now, your coming out! He never goes back to the shell again. Amen! He’s free. Oh, my! That Word, once gets set down through all those senses, and consciences, and things, till it gets settled down here and that mind opens up and lets it (oh, God, have mercy), there’s never nothing to bondage it again. You’re free. He who the Son has made free is out of the shell.

JOHN8:12

143 Your denomination can never call you back; the devil could never do anything more to you; he hiss and howl at you, but you’re on the highway running just at high speed. Oh, my! Running up the King’s highway, anointed soldier of the cross. All you eagles with faith proclaim “Jesus the light of the world,” run up the King’s highway.

HEB1:14

144 Sure! Yes, sir! These are ministering spirits sent from the presence of God to be ministers. To minister what? His Word--not some theology, but God’s Word. They’re ministering spirits sent forth from God to minister, ministering spirits. Oh, And remember if it ministers something besides the Word it didn’t come from God, ‘cause Thy Word is always confirmed in heaven. Always in heaven, the Word, God watches over it, and He’ll never send a spirit to minister something besides the Word.

145 He'll never send a spirit with a great big DDD, PhD., and his collar turned around in the back and everything like that, say, "Well, of course, the days of miracles is passed. We all know that." No, no! That didn't come from God, it's contrary to the Word. Amen! He sends the ones that ministers the Spirit of the Word. Amen. (Oh, I had about four or five more things, but I'll let it go at this time, pick it up next Sunday. All right!)

146 Satan and his demons are anointed. If these angel spirits are anointed to bring you the Word, to cause you to believe the Word. . . . Now, could you see where you ever hear a prophet, a real prophet of God denying God's Word? No, sir! What happened when the organizations of their days raised up and said, "Now, he's wrong." He stood by himself and stood alone. He said, "It's right."

1KNG22:3,6

147 Look at Micaiah down there that day, the little holy roller (see?), son of Imlah. There was four hundred anointed--supposed to be--anointed prophets standing up there all well fed, and fixed and great big degrees, and highly educated and polished scholars, said, "Go up, our loyal king. The Lord be with you. That belongs to us; Joshua give it to us, so you go up and take it. That's exactly right. You go up and take it."

1KNG22:7

148 He said, "Well, Josh. . . ." You know, Jehoshaphat said, "Isn't there another one somewhere?" Well, they had four hundred; why not believe the four hundred. He said, "But surely, you got another one somewhere."

1KNG22:8

Said, "I. . . . Well, we have got one. There is another one, but oh, I hate him."

"There, that's the guy I'd like to listen to," see. Said, "Bring him up. Let's see what he's going to say."

149 And so they went and told him, said, "Now listen! You set your sermon just right this morning, 'cause you're preaching to the king. You're preaching to all the ministerial association of So-and-so (you see?) of Palestine, the whole ministerial association. Now, you remember, here's what they said; you say the same thing; you believe the same thing."

He said, "There's one thing you have to understand." He said, "I run this town around here."

He said, "Oh, you do?" and just kept on washing the windows, you know.

He said, "Before you have a revival you have to whip me first!"

2TIM2:12

He said, "Oh, I do? Well, I'll just do that next then!" He just took off his coat, and walked over there and reached him by the collar, and knocked him down on the floor, and jumped up on top of him, said, "I must fight if I should reign. Increase my courage, Lord." Pounded the tar out of him. Said, "You got enough?"

169 He said, "Yes." He got up and shook his hand; he got saved that night in church. There you are, see. Just take the Word of God and cut your way through every doubt! You see it? Sure, that's it! If that's the next job, let's get it done. Right! Next thing I know to do is get away from my doubts, cut it down.

That's my next job is get all my flusterations away. If my senses tell me, "Well, you feel bad," the next thing to do is cut that thing away. That's right.

170 You say, "Well, they tell me that. . . . You know, my conscience tell me, Brother Branham, that I can. . . ." Well, you might as well cut that thing away; you ain't going to get no farther than that. Just get your next job done. Take off your coat and barrel right into it. Just keep on going. One objective: "I'm going to win." Amen! "I can't lose. I'm going to win." Amen!

171 Satan anoints, see. What's his first tactic! What was his first place to get? The mind. She stopped for a moment to listen to what he said.

"Oh, you don't say so!" That's where a many little female's made her mistake, and a many little male made his mistake. That's right. Stop for a moment, just stop for a moment.

172 How many times have I seen divorce cases and things come up? "Well, I tell you, Brother Branham, he whistled like the [Brother Branham whistles.] you know, and I stopped; and honest, I didn't mean to." Uh-huh, there you are.

walk up again. Oh, I'm getting weak." Just keep on going; don't stop! Laying everything aside, just keep cutting through. Brother, you got the sword in your hand, just keep chopping.

166 I went into a football stadium one time and was going to preach, and I stopped at the door and looked up, up there, and it said, "It's not the size of the dog in the fight, it's the size of the fight in the dog." So that's what wins the battle, see.

167 You say, "Well, look at all the great churches are against this." I don't care what size they are, it's the fight that's in the dog, that's what counts. It's the faith that's in the individual. If you are a coward, get back to your cuddlehole. But brother, if you're a soldier, stand up here; there's a battle on. Right and wrong's engaged. Let's fight.

168 Like Peter Cartwright went into a city, said, "Lord told me to come in here and have a revival." He rented an old storeroom, got in there, and begin to clean it up.

And the big bully of the town, with a pistol hanging on his side, walked down and got . . . door. Someone said, "What's that guy doing down there?"

Said, "He's a preacher. He's going to have a meeting, he said."

"Well," he said, "guess I'll just have to go down and throw him out in the street, run him out of here. That's all we don't want no meetings around our place."

So he goes down there, stopped at the door; and Peter Cartwright had his coat on, you know, and he was just washing the windows and walls down--little bitty fellow, you know. The old preacher laughed at him, you know, for eating chicken with his hands (which is etiquette today, you know). So he was just washing the windows and fixing around. The big bully walked over pulled his coat back, pistol hanging on his side, said, "What're you doing?"

"Oh," he said, "I'm washing windows." He just kept on washing windows, you know. He had one purpose: God told him to hold a revival. Washing the windows on down. . . .

He said, "We don't allow revivals around here."

He said, "Oh, but the Lord told me to hold this revival," see. He just kept on right at his work. See, see?

150 That little. . . . He had the wrong man there! That man done got away from this old reasoning. He done cleaned the flues out (see?), his conscience, and. . . .

151 "Well, you know what they'll do? If you'll say the same thing, I imagine they will make you a district presbyter; they probably will. They'll make you general overseer of the local district here if you'll just agree with them." That wasn't a real man of God.

1KNG22:14

152 Why, his flues had been cleaned out, all of his conscience and everything clear; his mind had opened up to the Word of God; and the Word of God only would he believe. That's ministering spirits; that's a ministering spirit. He said, "I don't know what to say now, but I'll tell you this one thing: I'll only say what God tells me to say." So they waited that night; he had a vision.

1KNG21:19,23

153 The next morning, I could imagine Micaiah looking through Scriptures and saying, "Now, let's see now. Does that vision. . . . Now, all them men. . . . There's something wrong here somewhere, 'cause it's contrary to what they said. But what'd it say? Let's see what Elijah said back here, the prophet, 'cause we know he was a prophet. See what the Word of the Lord came to Elijah, yeah, and what did it say? 'And the dogs shall lick your blood, Jezebel. The dogs'll eat her, 'cause of righteous Ahab . . . righteous Naboth.' " He said then. . . . When he seen that, he seen that his vision was just straight with the Word of God then. That old Ahab had it coming to him.

1KNG22:15,17

154 He walked right out there and said, "Go on up, but I have seen Israel. . . ." See, he wasn't ashamed to tell his vision then, 'cause it was the Word of the Lord. He knowed he could take that thing just perfectly. What? He'd opened his heart and his mind to the Word of God, and the Word of God had been revealed back, so he knowed that was perfectly the Word of God.

155 Now, you say, "Oh, if I can only be a Micaiah!" You can be; you are! You are too, Honey. You're a Micaiah, the prophet. What can you do? Open your mind. What am I trying to tell you this morning? The Word of the Lord, see. Open your mind; say, "Now, you know, I do believe I can be healed."

"Well, what is it then? Is it the Word of the Lord?"

156 Sure it's the Word of the Lord! And this guy here says, "The days of miracles is past and you can't do this. . . ." Forget about it! Put God first! Here comes the Word of the Lord, and he spoke it, and it was so.

157 Now, what did Satan do? Satan had the others anointed. Now, Satan anoints his servants. Oh, sure, uh-huh, sure! He anoints his servants. What does he anoint them with? With unbelief. Satan and his demons anoints humanity to disbelieve God's Word. Now, if you want to confirm that, you turn to Genesis 3:4.

GEN3:4

158 Let's just turn back there and listen just a minute, see if that ain't his first tactic. That's the first thing he did; he never leaves his same tactics; he does it all the time. Now, just see if that's what it is. Now, he didn't disagree with the Word; he just caused her to kind of misconstrue that a little, you know, just kind of make it sound like the way he wanted it to sound-- don't take the whole Word. Now, Genesis, I got here Genesis 3 and 4. Let's see if that's what that says now. All right.

*And the serpent said unto the woman, Ye shall not surely die:*

"... not surely die": see how he quoted it around? "Oh, we believe the days of miracles is past. We don't believe there is such a thing as people receiving the Holy Ghost like they did on Pentecost. Oh, any way you are baptized, it doesn't make any difference." See the devil? See his tactics?

"Well, if the doctor told you you can't get well, that settles it."

159 Now, not discr. . . disbelieving the doctor, the doctor is working on the line of scientific. And the doctor has done everything he can to save the person's life; and it can't be saved, because there's nothing else he knows to do; he's at the end of his wits. The man's honest.

160 But now, the tree of knowledge is all right, but when you go as far as it'll go, then step off on the tree of life and just keep on going. Amen. That's it. It'll just work so far. Yeah!

GEN3:1

161 Now, what is Satan's tactics now? What did he say here? Now watch, the 2nd verse. Now, let me read the 1st verse here to 3:

*Now the serpent was the most subtil than any beast of the field which the LORD God had made. And he said unto the woman, Yea, has God said, Ye shall not eat . . . every tree of the garden?*

GEN3:2,3

162 Listen at him now, just how nasty he gets and how he whitewashes that Word, see. What's he trying to do? Get into her mind, see. He's talking to her after the Word was already fortified there. Now, don't you let Satan fortify nothing, see. You keep God's Word fortified in your heart, see. You do the same, you Micaiahs.

*. . . the woman said unto the serpent, We may eat of the fruit of the trees of the garden:*

*But of the fruit of the tree which is in the midst [middle, see] of the garden, God . . . said, Ye shall not eat of it, neither shall you touch it, lest ye die.*

GEN3:4

See? Now, that's the Word; she's quoting it back to him. Now watch!

*And the serpent said unto the woman, Ye shall not surely die:*

163 See his tactics? See? What's he trying to do? That first human being, he's trying to anoint that precious woman there, God's daughter, with a unbelief in God's Word. That's exactly what he's trying to get her to do. That's what he tried to get you to do, Honey. That's what he tried to get each one of you to do out there--anoint you. And the only thing you have to do (now, you're a free moral agent; now, you can accept it if you want to), but kick it out!

If Eve hadn't have stopped that moment to listen! Don't stop for nothing! Don't stop!

2KNG4:29

164 When Elijah told Gehazi, said, "Take my staff, go lay it on the dead baby; and if any man even speaks to you, don't speak back. If any tries to stop you, just keep going."

2KNG4:24

165 Look at the woman when she called her servant. She said, "Saddle a mule and go forward, and don't you even stop till I bid you." That's it! When you got the message, keep going. Amen! Say, "I can't
